

2025 - Group 1 Preliminary Exam - Answer Key

Q1-Q200 / Syllabus Code: 497 (dated 16.12.2024)

Q.No	Question	Correct Answer	Syllabus	Explanation
1	Which of the statements are True? (Octane number vs chain length / cycloalkanes / alkenes & aromatic hydrocarbons / branched chain alkanes)	C) (ii) and (iii)	Unit I - General Science	Octane number measures a fuel's resistance to knocking. It decreases as the length of a straight carbon chain increases, but increases with branching and with double bonds/aromatic rings, because these structural features burn more smoothly under compression. This is covered in Class 11 Chemistry, Unit 13 "Hydrocarbons".
2	Match the hormone with the disorder it causes (Insulin, Thyroxine, Glucocorticoids, Growth hormone).	C) Insulin-Diabetes Mellitus, Thyroxine-Goitre, Glucocorticoids-Cushing's syndrome, Growth hormone-Acromegaly	Unit I - General Science	Insulin deficiency or resistance causes Diabetes Mellitus; Thyroxine deficiency causes Goitre; excess Glucocorticoids (cortisol) cause Cushing's syndrome; and excess Growth Hormone in adults causes Acromegaly. This is covered in Class 11 Zoology, Unit 11 "Endocrine Glands and Hormones", p.216.
3	Choose the right matches: Carotenoid / Chlorophyll a / Chlorophyll b / Xanthophyll with their molecular formulae.	C) (2) and (3) are correct [Chlorophyll a - $C_{55}H_{72}O_5N_4Mg$, Chlorophyll b - $C_{55}H_{70}O_6N_4Mg$]	Unit I - General Science	Chlorophyll a has the molecular formula $C_{55}H_{72}O_5N_4Mg$ and Chlorophyll b has $C_{55}H_{70}O_6N_4Mg$. This is covered in Class 11 Botany, Unit 13 "Photosynthesis", Table 13.1 "Types of Photosynthetic Pigments" (~p.273).
4	The Nobel Prize in Medicine was awarded to Victor Ambros and Gary Ruvkun for their discovery of ____ (2024 award).	B) Micro RNA	Unit I - General Science	Victor Ambros and Gary Ruvkun won the 2024 Nobel Prize in Physiology or Medicine for discovering microRNA, a class of small RNA molecules that regulate gene expression after transcription by binding to messenger RNA and blocking or degrading it. Their work, based on studies in the roundworm <i>C. elegans</i> , revealed a fundamental mechanism of gene regulation found across multicellular organisms.
5	Which statements are true about crew selection & training for the "Gaganyaan Mission"?	D) (i) and (iii) only	Unit I - General Science	India's Gaganyaan astronaut-designates are drawn from experienced Indian Air Force test pilots. Their training combines a generic astronaut-training programme completed at Russia's Gagarin Cosmonaut Training Centre with mission-specific training at ISRO's own Astronaut Training Facility in Bengaluru, covering spacecraft systems, flight

6	Which statements are correct about PFAS (per- and poly-fluoroalkyl substances)?	A) (i) and (ii) are correct	Unit I - General Science	suits, and recovery and survival procedures. PFAS (per- and poly-fluoroalkyl substances) are synthetic chemicals used for their water-, grease- and stain-resistant properties in products like non-stick cookware, packaging and firefighting foam. They are called 'forever chemicals' because their strong carbon-fluorine bonds resist natural breakdown, causing them to persist and bioaccumulate in the environment and in human tissue.
7	Biological oxygen demand (BOD) is the amount of dissolved oxygen required by _____ in water.	A) Microbes	Unit I - General Science	Biological Oxygen Demand (BOD) is the amount of dissolved oxygen consumed by microbes while decomposing organic matter present in a given volume of water over a fixed period; a higher BOD indicates more organic pollution and less oxygen available for aquatic life. This is covered in Class 12 Bio-Zoology, Unit 12 "Environmental Issues", ~p.211.
8	Which of the following is the first Indian Geo-Stationary Satellite?	A) INSAT 3D	Unit I - General Science	INSAT-3D, launched in 2013, is one of India's advanced meteorological satellites placed in geostationary orbit, carrying an imager and sounder used for weather forecasting, cyclone tracking and disaster warning. India's geostationary INSAT programme is introduced generally in Class 10 Social Science, Geography Unit 5 "India - Population, Transport, Communication and Trade".
9	Who among the following tribes act as cattle keepers?	C) Rawats	Unit II - Geography of India	Rawats are a nomadic pastoral community found mainly in the hill regions of Uttarakhand and parts of Rajasthan, traditionally engaged in rearing and herding cattle and other livestock as they move seasonally in search of grazing land.
10	Assertion [A]: Development of a nation depends on infrastructure facilities. Reason [R]: Transport and communication are the backbone of economic development.	A) [A] and [R] are true and [R] is the correct explanation for [A]	Unit II - Geography of India	Transport and communication networks link production centres to markets and connect regions, making them the backbone of a nation's economic development; better infrastructure directly enables trade, industry and overall growth. This is covered in Class 6 Social Science, Geography, "Asia and Europe" unit (~p.7).
11	Match the river with its place of rise (Krishna, Alaknanda, Gandak, Brahmaputra). [No official answer - referred to expert committee]	Not Found (question referred to the TNPSC Expert Committee - no key marked on the source paper)	Unit II - Geography of India	No official answer was released for this question. Geographically, the Krishna river originates in the Western Ghats near Mahabaleshwar (Maharashtra) and the Brahmaputra originates in Tibet near Lake Manasarovar (Kailash range). This

				is covered in Class 10 Social Science, Geography Unit 1 "India: Location, Relief and Drainage".
12	Arrange in chronological order: Ahmedabad Mill Strike, Champaran Satyagraha, Kheda Satyagraha, Rowlatt Satyagraha.	A) (ii), (i), (iii), (iv)	Unit III - History, Culture of India, and Indian National Movement	Gandhi's early satyagrahas in India followed this order: the Champaran Satyagraha (1917, against indigo planters in Bihar), the Ahmedabad Mill Strike (1918, a labour dispute between mill owners and workers), the Kheda Satyagraha (1918, a no-tax campaign for farmers hit by crop failure), and finally the nationwide Rowlatt Satyagraha (1919, against repressive colonial legislation). This is covered in Class 10 Social Science, History Unit 8 "Nationalism: Gandhian Phase".
13	How did education contribute to the Indian Renaissance?	B) (ii) and (iii) only [Promoting scientific learning; Promoted social and cultural progress]	Unit III - History, Culture of India, and Indian National Movement	Western/English education exposed Indians to scientific rationalism and liberal ideas, spurring social reform movements and a broader cultural and intellectual awakening across the country. This is covered in Class 12 History, Unit 1 "Rise of Nationalism in India".
14	Match the following Maratha administrative posts with their roles: Peshwa, Amatya, Sachiva, Sumant.	C) Peshwa-Chief Minister, Amatya-Finance Minister, Sachiva-Superintendent, Sumant-Foreign Secretary	Unit III - History, Culture of India, and Indian National Movement	Under Shivaji's Ashtapradhan (council of eight ministers), the Peshwa served as Chief Minister, the Amatya managed finance and revenue, the Sachiv supervised royal correspondence and general administration, and the Sumant handled foreign affairs. This is covered in Class 11 History, Unit 15 "The Marathas".
15	Choose the right matches: 'Indian World' Journal, 'Telegraph' Journal, 'Bengal Kikaru' Journal, 'Calcutta' Journal with their founders/editors.	A) (a)-4 (b)-3 (c)-2 (d)-1	Unit III - History, Culture of India, and Indian National Movement	Early Indian nationalist journalism in the 19th century gave the educated middle class a platform to discuss politics, social reform and national identity. The general period is covered in Class 12 History, Unit 1 "Rise of Nationalism in India"; the specific journal-founder list is standard press-history reference material beyond this chapter's exact wording.
16	Assertion [A]: Cinema was becoming popular in the 1940s. Reason [R]: Anna could achieve his ideals through Cinema Artists.	B) Both [A] and [R] are true; and [R] is the correct explanation of [A]	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	C.N. Annadurai recognised cinema's mass reach in the 1940s and used it, alongside his writings and public speeches, to popularise the ideals of the self-respect and Dravidian movement among ordinary people, making cinema an effective vehicle for spreading his political and social message. This falls under the Dravidian Movement theme in Unit VI of the syllabus.
17	Which one of the following is correctly matched? (Champaran Agitation, Ghadar Party, Ganapathy Festival, Home Rule)	B) Ghadar Party - Lala Hardayal	Unit III - History, Culture of India, and Indian National Movement	The Ghadar Party (originally the Pacific Coast Hindustan Association) was founded in 1913 in the United States by Lala Hardayal along with Sohan

	Movement with leaders)			Singh Bhakna and other Indian immigrants, aiming to overthrow British rule through armed revolution. This is covered in Class 12 History, Unit 3 "Impact of World War I on Indian Freedom Movement".
18	In Tuticorin, Tamil Nadu, Subramania Siva campaigned for a strike in 1908 (which months?).	B) February - March	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	V.O. Chidambaram Pillai and Subramania Siva organised and led the mill workers of the Coral Cotton Mills in Thoothukudi (Tuticorin) in a strike in 1908 (Feb-March). This is covered in Class 10 Social Science, History Unit 9 "Freedom Struggle in Tamil Nadu", section "Tirunelveli Uprising".
19	Which statements are true about the National Population Policy (promulgated April 1976)?	D) (i), (ii) and (iii) correct	Unit V - Indian Economy and Development Administration in Tamil Nadu	India's first National Population Policy was promulgated in April 1976 during the Emergency period, emphasising family planning measures (including incentives and, controversially, coercive sterilisation drives) to control rapid population growth; it was a landmark, though contentious, policy statement on demographic planning in independent India.
20	Who founded the Satya Shodhak Samaj in 1873?	A) Jyoti Rao Phule	Unit III - History, Culture of India, and Indian National Movement	Jyotirao Phule founded the Satya Shodhak Samaj ('Society of Seekers of Truth') in 1873 in Pune to fight caste discrimination and Brahmanical dominance and to promote the rights of peasants, women, and lower castes. This is covered in the old-edition (2005) Class 10 Social Science, History, "Social and Religious Reform Movements in the 19th Century" chapter, p.63, section "Other Reformers - Jyotiba Phule".
21	Which among the following was the first Christian Ashram established in South India?	B) Christukula Ashram at Tiruppattur	Unit III - History, Culture of India, and Indian National Movement	The Christukula Ashram, established in 1921 at Tirupattur (Tamil Nadu) by Savarirayan Jesudason and E. Forrester-Paton, is regarded as the first Christian ashram in South India, combining Christian faith with an Indian ashram lifestyle of simplicity and communal living.
22	The Talaikota Battle was also called as _____.	B) Rakshasi - Tangadi Battle	Unit III - History, Culture of India, and Indian National Movement	The Battle of Talikota (1565), in which the Deccan Sultanates defeated the Vijayanagar Empire, is also known as the Rakshasi-Tangadi Battle after the two villages, Rakkasagi and Tangadagi, near which it was fought. This is covered in Class 7 Social Science, History, "Vijayanagar and Bahmani Kingdoms" (Term 2, Unit 1), section "Battle of Talikota and the Decline of Vijayanagar".
23	Shivaji was crowned as an independent king at _____.	A) Raigad	Unit III - History, Culture of India, and Indian National Movement	Shivaji was crowned as an independent sovereign at Raigad on 6 June 1674, taking the title 'Chhatrapati'. This is covered in Class 11 History,

24	In the Indus Valley Civilisation, the major commodities in internal trade consisted of Cotton, Lumber, Grain and food stuffs, Livestock.	C) (1), (2), (3), (4) correct	Unit III - History, Culture of India, and Indian National Movement	Unit 15 "The Marathas", section "Coronation". Harappan internal trade involved commodities including cotton, timber, grain and other foodstuffs, and livestock, exchanged between settlements and with regions supplying raw materials. This is covered in Class 11 History, Unit 1 "Early India: From the Beginnings to the Indus Civilisation", section "Trade and Exchange".
25	Which is/are the aims of the "Theosophical Society"?	C) (i) and (ii) only correct [Karma/Yoga/Indian philosophy; Universal spiritual brotherhood]	Unit III - History, Culture of India, and Indian National Movement	The Theosophical Society, founded in 1875, aimed to study ancient religions, philosophy and science (including concepts such as karma and yoga drawn from Indian traditions) and to promote a feeling of universal brotherhood among people regardless of race, creed or religion. This is covered in the old-edition (2005) Class 10 Social Science, History, "Social and Religious Reform Movements in the 19th Century" chapter, p.60.
26	Assertion [A]: The zonal councils owe their origin to the constitution. Reason [R]: The zonal councils are the logical outcome of the reorganisation of states on a linguistic basis.	D) [A] is wrong; [R] is correct	Unit IV - Indian Polity	The Zonal Councils were created not directly by the Constitution but by an ordinary Act of Parliament, the States Reorganisation Act of 1956, as advisory bodies to promote cooperation between states grouped on a broadly linguistic/regional basis. This is covered in Class 12 Political Science, Unit 5 "Federalism in India", p.93.
27	Sexual Harassment of Women at Workplace Act was enacted in the year ____.	A) 2013	Unit IV - Indian Polity	The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act was enacted in 2013, providing a legal mechanism (Internal Complaints Committees) for redressal of workplace sexual harassment complaints in India. This is covered in Class 11 Political Science, Unit 9 "Political Ideologies - Part II", ~p.172.
28	Arrange in chronological order: Golaknath v. State of Punjab, Kesavananda Bharati v. State of Kerala, Minerva Mills Ltd. v. Union of India, A.K. Gopalan v. State of Madras.	C) 4, 1, 2, 3 (Gopalan -> Golaknath -> Kesavananda Bharati -> Minerva Mills)	Unit IV - Indian Polity	A.K. Gopalan v. State of Madras (1950) narrowly interpreted personal liberty under Article 21; Golaknath v. State of Punjab (1967) held Fundamental Rights could not be amended; Kesavananda Bharati v. State of Kerala (1973) introduced the Basic Structure doctrine; and Minerva Mills v. Union of India (1980) applied it to strike down parts of the 42nd Amendment. The Gopalan case is covered in Class 12 Political Science, Unit 4 "Indian Judiciary", p.77-78, and the idea of judicial limits on amendments in Class 8 Social Science Civics Unit 7 "The Judiciary".

29	Match: (a) Preventive Detention Act (PDA) in India; (b) The National Emergencies Act signed into law by President Gerald Ford; (c) The Indo-Pakistan war; (d) Conservation of Foreign Exchange and Prevention of Smuggling Activities Act (COFEPOSA), with years 1. 1971 2. 1974 3. 1950 4. 1976 [CORRECTED - recovered from a docx table missed by the original paragraph-only extraction]	C) (a)-3 [1950] (b)-4 [1976] (c)-1 [1971] (d)-2 [1974]	Unit IV - Indian Polity	India's Preventive Detention Act was enacted in 1950, soon after Independence, to allow detention without trial on national-security grounds; the United States' National Emergencies Act was signed into law by President Gerald Ford in 1976; the Indo-Pakistan War that led to the creation of Bangladesh was fought in 1971; and India's Conservation of Foreign Exchange and Prevention of Smuggling Activities Act (COFEPOSA) was enacted in 1974 to curb smuggling and foreign-exchange violations.
30	Consider the statements on birth/death anniversaries of national leaders (Gandhi, Bose, Ambedkar, Patel) and choose the correct answer.	D) (i), (ii), (iii) only correct	Unit III - History, Culture of India, and Indian National Movement	India observes several national days linked to these leaders' birth and death anniversaries: Mahatma Gandhi (born 2 October 1869, died 30 January 1948, observed as Martyrs' Day), Subhas Chandra Bose (born 23 January 1897, birthday observed as Parakram Diwas), B.R. Ambedkar (born 14 April 1891, observed as Ambedkar Jayanti; died 6 December 1956, observed as Mahaparinirvan Diwas), and Sardar Vallabhbhai Patel (born 31 October 1875, birthday observed as National Unity Day).
31	Assertion [A]: A remarkable difference between China and India was observed regarding mass politics around air pollution control. Reason [R]: China employs the approach of Historical Institutionalism to control air pollution.	A) Both [A] and [R] are correct; [R] is the correct explanation of [A]	Unit I - General Science	China's approach to controlling air pollution has often relied on strong, centrally directed administrative action shaped by its political and institutional history (an example of 'historical institutionalism', where past institutional choices constrain present policy options), while India's response has involved more decentralised, court- and civil-society-driven mass politics around environmental issues. This contrast in governance style explains why the reason correctly accounts for the assertion.
32	Which are the objectives of the Tamil Nadu Safe and Ethical Artificial Intelligence Policy, 2020?	B) (i) and (iii) only	Unit V - Indian Economy and Development Administration in Tamil Nadu	The Tamil Nadu Safe and Ethical Artificial Intelligence Policy (2020) aims to promote responsible and inclusive adoption of AI across the state's economy and governance, focusing on building citizen trust and ensuring AI's benefits are broadly and equitably shared, while guarding against misuse and bias in AI systems.
33	Which is/are the objective(s) of the Right to Information Act, 2005?	C) (i) and (ii) only	Unit IV - Indian Polity	The Right to Information Act, 2005 aims to promote transparency and accountability in the working of public authorities by empowering citizens to access government-held information;

				the right to information is generally read as part of the freedom of speech and expression guaranteed under Article 19(1)(a). Fundamental Rights and governance-transparency themes are covered in Class 10 Social Science Civics and Class 12 Political Science.
34	Which among the following was the first state in India to constitute an institution of Lok Ayukta?	B) Maharashtra	Unit IV - Indian Polity	Maharashtra was the first Indian state to establish the institution of Lokayukta, setting it up in 1971 to investigate complaints of corruption and maladministration against public officials. The related Lokpal and Lokayukta Act concept is introduced in Class 8 Social Science, Economics Unit 1.
35	Which statements are true about the Election Commission of India (functions; first woman CEC V.S. Ramadevi; first CEC S.P. Sen Varma)?	C) (i) and (ii) only	Unit IV - Indian Polity	The Election Commission of India conducts elections to Parliament, the state legislatures, and the offices of President and Vice-President - covered in Class 9 Social Science, Civics Unit 2 "Election, Political Parties and Pressure Groups". V.S. Ramadevi served as India's first woman Chief Election Commissioner (1990), though India's very first CEC overall was Sukumar Sen (1950), not S.P. Sen Varma.
36	Match: (a) Article 257(A); (b) Article 131; (c) Article 245(1); (d) Article 275, with 1. Grants-in-aid 2. Judicial proceedings 3. Supreme Court 4. State Jurisdiction 5. 42nd Amendment Act [CORRECTED - recovered from a docx table missed by the original paragraph-only extraction]	A) (a)-5 [42nd Amendment Act] (b)-3 [Supreme Court] (c)-4 [State Jurisdiction] (d)-1 [Grants-in-aid]	Unit IV - Indian Polity	Article 275 empowers Parliament to provide grants-in-aid to states on the recommendation of the Finance Commission (Class 12 Economics, Unit 9 "Fiscal Economics"); Article 131 gives the Supreme Court original jurisdiction over Centre-State disputes (Class 12 Political Science, Unit 4 "Indian Judiciary", p.72-73); Article 245(1) defines the territorial extent of laws made by Parliament and state legislatures; and Article 257A (42nd Amendment, later repealed) had allowed the Union to deploy forces in a state for public order.
37	Choose the correct matches: Finance Commission chairpersons (4th - A.K. Chanda, 10th - K.C. Pant, 6th - Dr. Rajamannar, 9th - N.K.P. Salve).	B) (ii) and (iv) are correct	Unit V - Indian Economy and Development Administration in Tamil Nadu	Each Finance Commission has a different chairperson: the 10th Finance Commission (1992) was chaired by K.C. Pant and the 9th (1987) by N.K.P. Salve. A.K. Chanda actually chaired the 3rd Finance Commission (not the 4th) and Dr. P.V. Rajamannar chaired the 4th (not the 6th). The Finance Commission's general role is covered in Class 12 Political Science and Economics chapters on Centre-State fiscal relations.
38	The financial position of the Panchayat is reviewed under	A) Article 243-I	Unit IV - Indian Polity	Article 243-I requires the Governor of a state to constitute a Finance Commission every five years

				to review and recommend the distribution of financial resources between the state and its panchayats and municipalities. This is covered in Class 10 Social Science, Civics Unit 3 "State Government".
39	Which statements are true about qualifications for membership of the State Legislature (25 years for Assembly, 30 years for Council)?	B) (i) and (ii) only	Unit IV - Indian Polity	To be a member of a State Legislative Assembly (and hence eligible to become Chief Minister), a person must be at least 25 years old, while membership of a Legislative Council requires a minimum age of 30 years. This is covered in Class 7 Social Science, Civics (Term 2, Unit 1) "State Government".
40	The Madras Legislative Council was formed by the ____.	C) Indian Councils Act of 1861	Unit III - History, Culture of India, and Indian National Movement	The Madras Legislative Council was first established under the Indian Councils Act of 1861, which introduced legislative councils with some Indian representation in the presidencies, laying the groundwork for later, more representative reforms under the 1892, 1909 and 1919 Acts.
41	Arrange the stages in the enactment of the Budget in ascending order (Voting on Demand for grants; Passing of Finance bill; Passing of Appropriation bill; Scrutiny by departmental committees).	C) 4, 1, 3, 2	Unit IV - Indian Polity	The Union Budget's legislative process moves through scrutiny of ministries' demands by departmental standing committees, followed by voting on the Demands for Grants in the Lok Sabha, then passage of the Appropriation Bill and finally the Finance Bill. This cycle is covered in Class 12 Political Science, Unit 6 "Administrative Machinery in India" (p.126).
42	Consider the statements about the Electoral College of the Presidential Election - which is correct?	C) The elected members of both Houses of Parliament and elected members of the State Legislatures and Union Territories	Unit IV - Indian Polity	The President of India is elected by an electoral college consisting of the elected members of both Houses of Parliament and the elected members of the Legislative Assemblies of all states and Union Territories. This is covered in Class 9 Social Science, Civics Unit 2 "Election, Political Parties and Pressure Groups".
43	Assertion [A]: Article 51-A does not expressly cast any fundamental duty on the state. Reason [R]: The duty of every citizen of India is the collective duty of the state.	B) Both [A] and [R] are true; and [R] is the correct explanation of [A]	Unit IV - Indian Polity	Article 51-A, inserted by the 42nd Amendment, lists Fundamental Duties owed by citizens, not by the state. This is covered in Class 10 Social Science, Civics Unit 1 "Indian Constitution" (Fundamental Duties).
44	Which of the following articles on Fundamental Rights is incorrectly paired? (Art.12-Definition of State, Art.21-Right to Education, Art.34-Power of Parliament to modify rights, Art.35-Legislation for FR provisions)	C) 2 and 3 only	Unit IV - Indian Polity	Article 12 correctly defines 'the State' for Part III purposes, and Article 35 correctly empowers Parliament to make laws giving effect to certain Fundamental Rights provisions - both covered generally in Class 12 Political Science, Unit 1 "Constitution of India". However, Article 21 actually

				guarantees the Right to Life and Personal Liberty (the Right to Education is under Article 21-A), and Article 34 deals with restrictions on rights during martial law (the power of Parliament to modify rights for the armed forces is under Article 33).
45	The word "union" in the "Union of States" in our Constitution was inspired by the ____.	A) Canadian Constitution	Unit IV - Indian Polity	The Indian Constitution describes India as a 'Union of States' rather than a 'Federation of States' in Article 1, a phrase inspired by the Canadian Constitution, reflecting the idea that the Union is indestructible and states cannot secede from it. This is covered in Class 12 Political Science, Unit 1 "Constitution of India" and Unit 5 "Federalism in India".
46	Choose the right matches: High Court powers/articles (issue writs-226, transfer cases-178, common High Court-231, jurisdiction to UTs-320).	C) 1 and 3 only	Unit IV - Indian Polity	Article 226 empowers High Courts to issue writs for the enforcement of Fundamental Rights and other purposes (Class 12 Political Science, Unit 4 "Indian Judiciary", ~p.82), and Article 231 allows Parliament to establish a common High Court for two or more states (also Class 10 Social Science Civics Unit 3 "State Government").
47	Consider statements about the Preamble (American Constitution first with a preamble; Palkhivala's comparison; Justice Hidayatullah's "Identity Card" remark; meaning of Republic).	B) (i) and (iv) only correct	Unit IV - Indian Polity	The American Constitution was the first in the world to begin with a Preamble, a format later adopted by India. The word 'Republic' in the Preamble signifies that the head of state is elected rather than hereditary. This is covered in Class 12 Political Science, Unit 1 "Constitution of India".
48	SIPCOT was established by the Tamil Nadu Government for the development of which scale of industries?	A) (i) and (ii) only [Large and Medium scale]	Unit V - Indian Economy and Development Administration in Tamil Nadu	SIPCOT (State Industries Promotion Corporation of Tamil Nadu), formed in 1971, develops industrial estates and infrastructure mainly to attract and support large- and medium-scale industries in Tamil Nadu, unlike agencies such as SIDCO which focus on small-scale industries. This is covered in Class 10 Social Science, Economics Unit 5 "Industrial Clusters in Tamil Nadu".
49	The Scheme "Pradhan Mantri Janjatiya Unnat Gram Abhiyan" focuses on which objectives?	Not Found (no official answer marked on the source paper)	Unit V - Indian Economy and Development Administration in Tamil Nadu	No official answer was marked for this question on the source paper. The Pradhan Mantri Janjatiya Unnat Gram Abhiyan is a central scheme aimed at the holistic development of tribal-majority villages, focusing on improving infrastructure, livelihoods, health, education and access to government services in Scheduled Tribe-dominated areas.
50	In 1962, in the wake of the Chinese invasion, which Act was passed?	A) (i) only [Anti-Secession Act]	Unit III - History, Culture of India, and Indian National Movement	Following the Chinese invasion of 1962, India enacted the Defence of India Act, 1962, granting the government emergency powers to maintain

				public order and security during the conflict, and a national Emergency was proclaimed under Article 352 for the first time in India's history.
51	Assertion [A]: Social Justice basically does not deal with equal social opportunities. Reason [R]: Social Justice is non-proportional to either social equality or social rights.	D) Both [A] and [R] are false	Unit IV - Indian Polity	Social Justice is fundamentally about ensuring equal social opportunities and rights for all, and it is closely linked to (not independent of) social equality; therefore, both the assertion and the reason misstate the concept and are false. This is covered in Class 11 Political Science, Unit 13 "Social Justice", p.246.
52	Assertion [A]: The overall policy framework for the social sectors in India is laid out by the Central Government. Reason [R]: The State governments have considerable flexibility in designing policies.	B) Both [A] and [R] are true; and [R] is not the correct explanation of [A]	Unit V - Indian Economy and Development Administration in Tamil Nadu	In India's federal structure, broad social-sector policy frameworks are typically laid out by the Central Government, while State Governments retain considerable flexibility in designing the specific implementation details and complementary programmes suited to local needs, since many social-welfare subjects fall in the Concurrent or State List.
53	Choose the right matches: (i) First communal order for distribution of appointments among castes - 1920; (ii) First Backward Class Commission of Tamil Nadu appointed - 1970; (iii) Ambasankar Commission - reservation totalling to 69%; (iv) Report on TN Backward Classes Commission justifying existing reservation - 8 July 2011	D) (iii) and (iv) only	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	The J.A. Ambasankar Commission (1985) is credited with recommending the increase of reservation in Tamil Nadu to a total of 69% (updated from the earlier Sattanathan Commission's 49%/68% recommendations), a figure later protected under the Ninth Schedule. The Sattanathan Commission and the 69% reservation background are covered in Class 11 Political Science, Unit 13 "Social Justice" (pp.257-258).
54	Match: (a) Babu Jagjivan Ram Chhatrawas Yojana; (b) Atal Vayo Abhyuday Yojana; (c) Pradhan Mantri Jan Vikas Karyakram; (d) Pradhan Mantri Janjatiya Vikas Mission, with 1. Scheduled Tribes 2. Minorities 3. Scheduled Castes 4. Senior citizens [CORRECTED - recovered from a docx table missed by the original paragraph-only extraction]	D) (a)-3 [SC] (b)-4 [Senior citizens] (c)-2 [Minorities] (d)-1 [Scheduled Tribes]	Unit V - Indian Economy and Development Administration in Tamil Nadu	The Babu Jagjivan Ram Chhatrawas Yojana funds hostels for Scheduled Caste students; the Atal Vayo Abhyuday Yojana supports welfare and quality of life for senior citizens; the Pradhan Mantri Jan Vikas Karyakram funds socio-economic development in minority-concentration areas; and the Pradhan Mantri Janjatiya Vikas Mission focuses on the development of Scheduled Tribe communities.
55	The Justice Party was established in the year 1916 by whom?	A) T.M. Nair and Thiyagaraya Chetty	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	The Justice Party (South Indian Liberal Federation) was founded on 20 November 1916 in Madras by leaders including Dr. T.M. Nair and Sir Pitti Theagaraya Chetty, to represent and advance the interests of non-Brahmin communities in the Madras Presidency. This is covered in Class 10

				Social Science, History Unit 10 "Social Transformation in Tamil Nadu", p.67.
56	Arrange in chronological order: (1) South Indian Liberal Federation formed; (2) Madras United League renamed Madras Dravidian Association; (3) Periyar transformed Justice Party into Dravidar Kazhagam; (4) Ministry of A. Subbarayalu Reddiar fought the Swarajya Party	B) (2), (1), (4), (3)	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	The Madras Dravidian Association (formed 1912) evolved into the South Indian Liberal Federation/Justice Party (founded 20 November 1916); the Justice Party ministry under A. Subbarayalu Reddiar then contested the Swarajya Party in the 1920s; and Periyar transformed the Justice Party into the Dravidar Kazhagam in 1944. This is covered in Class 10 Social Science, History Unit 9 "Freedom Struggle in Tamil Nadu" (p.83-85) and Class 12 Political Science, Unit 7 "Challenges of Nation Building" (p.154).
57	Find the correct statements on Tamil Nadu Government Tamil-development initiatives (translating Ambedkar's works, Tamil Parapurai Kazhagam, JNU, Tamil department, Theera Kaadhal Thirukural Project funding).	B) (a) and (c) only	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	Tamil Nadu's government has funded Tamil-language and cultural initiatives such as translating Dr. Ambedkar's works into Tamil and supporting the Tamil Parapurai Kazhagam, as part of its ongoing promotion of Tamil language and culture through state budget allocations.
58	Inference on rural India's economic contribution to GDP (over half of GDP from rural India, two-thirds of rural GDP from non-farm activities).	D) Rural India contributes more than half of India's GDP, and a significant portion comes from non-farm activities	Unit V - Indian Economy and Development Administration in Tamil Nadu	Rural India contributes more than half of the country's overall GDP, and a significant share of this rural output now comes from non-farm activities such as manufacturing, construction, trade and services rather than agriculture alone, reflecting the structural diversification of the rural economy.
59	Which statements are true about "The Chief Minister's Breakfast Scheme"?	B) (ii) and (iii) only	Unit V - Indian Economy and Development Administration in Tamil Nadu	Tamil Nadu's Chief Minister's Breakfast Scheme, launched in 2022, provides a free nutritious breakfast to children in government primary schools, aiming to improve child nutrition, reduce dropout rates, and support the concentration and learning ability of students from economically weaker backgrounds.
60	Match the four engines of development in the Union Budget 2025-2026: (a) 1st Engine; (b) 2nd Engine; (c) 3rd Engine; (d) 4th Engine, with 1. MSMEs 2. Export 3. Agriculture 4. Investment in people [CORRECTED - recovered from a docx table missed by the original paragraph-only extraction]	B) (a)-3 [Agriculture] (b)-1 [MSMEs] (c)-4 [Investment] (d)-2 [Export]	Unit V - Indian Economy and Development Administration in Tamil Nadu	The Union Budget 2025-26 identified four 'engines' of development: Agriculture as the first engine, MSMEs (Micro, Small and Medium Enterprises) as the second, Investment (in people, infrastructure and innovation) as the third, and Exports as the fourth, together forming the government's growth strategy for the year.
61	Which statements are correct about the "Tamil Pudalvan" Scheme?	C) (ii) and (iii) only	Unit V - Indian Economy and Development	The Tamil Pudalvan scheme, launched by the Tamil Nadu government in October 2024, provides

			Administration in Tamil Nadu	financial and skill-development support to help school and college students, particularly from government institutions, pursue competitive examinations and career opportunities.
62	Why do business firms choose Tamil Nadu as their preferred destination for investment?	A) The State of the Art Infrastructure	Unit V - Indian Economy and Development Administration in Tamil Nadu	Tamil Nadu attracts business investment largely due to its well-developed physical infrastructure - including ports, roads, power supply and industrial corridors - alongside a skilled workforce and proactive industrial policy, making it one of India's leading investment destinations.
63	Name the tri-ministerial scheme covering Women and Child Development, Health and Family Welfare, and Human Resource Development.	C) Beti Bachao Beti Padhao Scheme	Unit V - Indian Economy and Development Administration in Tamil Nadu	Beti Bachao Beti Padhao, launched in 2015, is a tri-ministerial scheme jointly implemented by the Ministries of Women and Child Development, Health and Family Welfare, and Human Resource Development (Education), aimed at addressing declining child sex ratios and promoting girls' survival, protection and education.
64	Assertion [A]: During 2001 to 2026, for Bihar, Madhya Pradesh, Rajasthan and Uttar Pradesh, population is expected to increase by 45-55%. Reason [R]: More than half of demographic transition is expected during that period.	D) Both [A] and [R] are true and [R] is the correct explanation of [A]	Unit V - Indian Economy and Development Administration in Tamil Nadu	Population projections for 2001-2026 estimated that populous northern states - Bihar, Madhya Pradesh, Rajasthan and Uttar Pradesh - would see population increases of 45-55%, since these states were still in an earlier, faster-growing stage of the demographic transition. General population-growth trends are covered in Class 11 Economics, Unit 7 "Indian Economy" (p.128-133).
65	Assertion [A]: The demographic dividend is defined as a rise in the rate of Economic growth due to a rising share of working age people in a population. Reason [R]: India is in the midst of the window of opportunity created by the Demographic Dividend.	D) Both [A] and [R] are true but [R] is not the correct explanation of [A]	Unit V - Indian Economy and Development Administration in Tamil Nadu	The demographic dividend refers to the accelerated economic growth that can result from a rising share of the working-age population relative to dependents; India is currently within the window of this demographic opportunity. This term is listed in Class 11 Economics, Unit 7 "Indian Economy" (p.104).
66	Match: (a) PMGSY; (b) DDUGKY; (c) NRLM; (d) MGNREGA, with 1. Focus on rural youth aged 15-35 from poor families 2. Sustainable livelihood opportunities 3. Rural connectivity 4. Livelihood security in rural areas [CORRECTED - recovered from a docx table missed by the original paragraph-only extraction]	B) (a)-3 [Rural connectivity] (b)-1 [Rural youth training] (c)-2 [Sustainable livelihood] (d)-4 [Livelihood security]	Unit V - Indian Economy and Development Administration in Tamil Nadu	PMGSY focuses on rural road connectivity; DDUGKY trains rural youth aged 15-35 from poor families for placement-linked jobs; NRLM promotes sustainable livelihood opportunities through self-help groups; and MGNREGA guarantees livelihood security in rural areas through wage employment. PMGSY and NRLM are covered in Class 11 Economics, Unit 10 "Rural Economy"; MGNREGA is also covered in Class 12 History, Unit 9 "Envisioning a New Socio-Economic Order".
67	Match Water Conservation Programmes	A) (a)-2 [Neeru-Chettu] (b)-1	Unit V - Indian Economy	Andhra Pradesh's water-conservation programme

	with their States: (a) Andhra Pradesh; (b) Bihar; (c) Gujarat; (d) Haryana, with 1. Jal Jeevan Hariyali 2. Neeru-Chettu 3. Jal Hi Jeevan Hai 4. Sujalam Sufalam Jal Sanchay Abhiyan [CORRECTED - recovered from a docx table missed by the original paragraph-only extraction]	[Jal Jeevan Hariyali] (c)-4 [Sujalam Sufalam] (d)-3 [Jal Hi Jeevan Hai]	and Development Administration in Tamil Nadu	is called Neeru-Chettu; Bihar's is Jal Jeevan Hariyali; Gujarat's is the Sujalam Sufalam Jal Sanchay Abhiyan; and Haryana's is Jal Hi Jeevan Hai - each a state-specific initiative for rainwater harvesting, groundwater recharge and water-body rejuvenation.
68	Assertion [A]: There has been a significant rise in the percentage of labour force engaged in the Industrial sector during the 1990s and 2000s. Reason [R]: There has been a significant rise in employment in the construction sector between 1991 and 2011.	B) Both [A] and [R] are true; and [R] is the correct explanation of [A]	Unit V - Indian Economy and Development Administration in Tamil Nadu	Between the 1990s and 2000s, India saw a rise in the share of its labour force employed in the industrial sector, with a particularly notable increase in construction employment between 1991 and 2011, as infrastructure and real-estate activity expanded and absorbed workers moving out of agriculture.
69	Which of the following is NOT a function of the Finance Commission in India?	A) Preparation of Union budget	Unit IV - Indian Polity	The Finance Commission's functions, under Article 280, include recommending the distribution of tax revenues between the Union and the States, determining grants-in-aid, and advising on matters referred by the President; preparing the Union Budget is a Finance Ministry function instead. This is covered in Class 12 Economics, Unit 9 "Fiscal Economics" (Functions of the Finance Commission of India).
70	Which statement is true? (1) Increasing Bank rate policy reduces borrowing among businessmen; (2) To control inflation RBI increases bank rate policy; (3) Bank rate policy helps control increasing price of goods	B) Statement (1) and (2) are correct	Unit V - Indian Economy and Development Administration in Tamil Nadu	The bank rate is the rate at which the RBI lends to commercial banks; raising it makes borrowing costlier for banks and businesses, reducing money supply and helping control inflation. This is covered in Class 12 Economics, Unit 6 "Banking" and Class 11 Commerce, Unit 10 "Reserve Bank of India".
71	Match: (a) Jawaharlal Nehru; (b) S.N. Agarwal; (c) J.P. Narayan; (d) M.N. Roy, with 1. People's Plan 2. Sarvodaya Plan 3. Gandhian Plan 4. National Planning Commission [CORRECTED - recovered from a docx table missed by the original paragraph-only extraction]	A) (a)-4 [National Planning Commission] (b)-3 [Gandhian Plan] (c)-2 [Sarvodaya Plan] (d)-1 [People's Plan]	Unit V - Indian Economy and Development Administration in Tamil Nadu	Jawaharlal Nehru set up the National Planning Committee in 1938; S.N. Agarwal proposed the Gandhian Plan (1944); M.N. Roy drafted the People's Plan (1945); and J.P. Narayan advocated the Sarvodaya Plan (1950). This is covered near word-for-word in Class 12 Economics, Unit 11 "Economics of Development and Planning".
72	The achieved growth rate of the Eleventh Five Year Plan is:	A) 8.2%	Unit V - Indian Economy and Development Administration in Tamil Nadu	The Eleventh Five Year Plan (2007-2012) had targeted an 8.1% growth rate but achieved 7.9%, per Class 11 Economics, Unit 8 "Indian Economy Before and After Independence". Note: the marked answer of 8.2% does not match this textbook

				figure, so this is worth rechecking against the official key.
73	According to Ragnar Nurkse, the starting point and continuation for development lies in _____.	B) Increasing the rate of capital formation	Unit V - Indian Economy and Development Administration in Tamil Nadu	According to Ragnar Nurkse's theory of the 'vicious circle of poverty', underdeveloped economies remain trapped in low income partly due to low capital formation on both the supply and demand sides. This is covered in Class 12 Economics, Unit 11 "Economics of Development and Planning".
74	"When one sees the person who taught, not forgetting what they taught" - which chapter of the Thirukkural deals with this?	D) Benignity (perspective)	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	This couplet praises the value of recognising and respecting the person who taught you and retaining the lesson taught, which is why it falls under a Thirukkural chapter dealing with recognising benefactors and one's obligations toward them - a theme found in Thiruvalluvar's chapters on gratitude, humility and right conduct.
75	"Ozhukkaaraak Kolka Oruvandhan Nenjaththu Azhukkaaru Iladha Iyalpu" - what is the meaning of the word "Azhukkaaru"?	C) Jealous	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	In this Thirukkural line, the word 'Azhukkaaru' means jealousy or envy; the verse describes a person's inner nature as one that is free from Azhukkaaru - that is, free from jealousy toward others' good fortune - as a mark of a virtuous character.
76	Pick out the incorrectly paired: (1) 1962 - Madras State (Alteration of Name) Act passed by Parliament; (2) 1967 - Perarignar Anna sworn in as CM of Tamil Nadu; (3) 1968 - Perarignar Anna elected to Rajya Sabha; (4) 1969 - Madras State (Alteration of Name) Act came into force	C) (1) and (3) are incorrect	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	The Madras State (Alteration of Name) Act was passed by Parliament in 1968 and came into force on 14 January 1969, officially renaming Madras State as Tamil Nadu; C.N. Annadurai was sworn in as Chief Minister in 1967. This period is covered in Class 11 Political Science, "Political Developments in Tamil Nadu" chapter, though this exact dated pairing is not spelled out verbatim there.
77	Find the rightly matched pair(s): (1) 1925 - Periyar started 'Kudi Arasu'; (2) 1928 - English periodical 'Revolt' started; (3) 1934 - Periyar published 'Viduthalai' as a Tamil daily; (4) 1937 - Periyar brought out the Tamil weekly 'Pagutharivu'	A) Only (1) and (2) are correct	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	Periyar's periodicals fit this timeline: Kudi Arasu (1925) and the English periodical Revolt (1928) match this list, while Viduthalai actually began in 1935 (not 1934) and Paguthaarivu began in 1934 (not 1937). This is covered in Class 10 Social Science, History Unit 10 "Social Transformation in Tamil Nadu".
78	Assertion [A]: Tamil Nadu Women Conference held on 13.11.1938 at Chennai under T. Neelambikai Ammaiyar. Reason [R]: This conference passed a resolution for abolition of caste discrimination and conferred the title "Periyar" on E.V. Ramasamy.	D) [A] is true and [R] is true	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	On 13 November 1938, a Tamil Nadu Women's Conference was held in Chennai under T. Neelambikai Ammaiyar's presidency, passing resolutions against caste discrimination and conferring the title 'Periyar' on E.V. Ramasamy. The broader Self-Respect Movement is covered in Class 10 Social Science, History Unit 10 "Social

				Transformation in Tamil Nadu", though this specific 1938 conference is not detailed there.
79	Match books/journals with authors: (a) The Mirror of the Year; (b) History of the Justice Party; (c) From Sir Theagarayar to Dr. Kalaingar; (d) Justice Movement	C) (a)-4 (b)-3 (c)-2 (d)-1	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	These are historiographical works on the Justice Party's history and leadership - covering its founding leaders (such as Theagaraya Chetty) through to later Dravidian-movement figures - used by historians to trace the party's ideological and organisational evolution from its 1916 founding through its transformation into the Dravidar Kazhagam and DMK.
80	Members of the Justice Party sent to meet the Joint Select Committee in London to finalise the Government of India Act, 1919: (i) Arcot Ramasamy Mudaliyar; (ii) Koka Apparao; (iii) T.A. Ramalingam; (iv) S.K. Thulasiram	D) (i), (ii), (iv)	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	In 1919, the Justice Party sent a delegation - including Arcot Ramasamy Mudaliyar, Koka Appa Rao and S.K. Thulasiram - to give evidence before the Joint Select Committee in London on the Government of India Act, 1919. The Justice Party's formation and government are covered in Class 10 Social Science, History Unit 10, though this specific London delegation is not detailed there.
81	Choose the right matches: (1) Krishnabai Nimbkar - Madras Youth League; (2) Rukmini Lakshmipathi - President of Madras Women's Students Organisation; (3) Antony Ammal - Pankaja Textile Mill; (4) Manjubhashini - Acting President of TN Congress Committee during Quit India Movement	A) (1) and (3) are correct	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	Krishnabai Nimbkar was associated with the Madras Youth League, and Antony Ammal worked among labourers at the Pankaja Textile Mill as part of the freedom and labour movements in Tamil Nadu. Tamil Nadu's freedom struggle and its women participants are covered in Class 10 Social Science, History Unit 9 "Freedom Struggle in Tamil Nadu", though these specific names are not detailed there.
82	Assertion [A]: The company asked the Collector of Ramnad to summon Kattabomman to his office at Ramnad. Reason [R]: Kattabomman was asked to meet the Collector regarding arrears of tribute owed to the company.	C) Both [A] and [R] are true; and [R] is correct explanation of [A]	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	In 1798, the East India Company directed its Collector at Ramanathapuram (Ramnad) to summon Veerapandiya Kattabomman regarding arrears of tribute; his defiant response was a key trigger for the subsequent conflict. This is covered in Class 8 Social Science, History Unit 4 "People's Revolt".
83	Arrange chronologically: (1) Salt Satyagraha; (2) Swadeshi Movement; (3) Quit India Movement; (4) Non-Cooperation Movement	D) (2), (4), (1), (3)	Unit III - History, Culture of India, and Indian National Movement	The major phases of the freedom movement, in order, were: the Swadeshi Movement (from 1905), the Non-Cooperation Movement (1920-22), the Salt Satyagraha (1930), and the Quit India Movement (1942). This is covered in Class 10 History Unit 2 "The World between Two World Wars" and Class 12 History Unit 2 "Rise of Extremism and Swadeshi Movement".
84	Identify the person who said: "Nothing can be done without shedding of blood. Japan	B) Subramania Siva	Unit III - History, Culture of India, and Indian	Subramania Siva, a fiery orator of the Swadeshi and extremist phase of the freedom struggle in

	was prepared to sacrifice 20,000 men and gained a victory over Russia. If 15 crores of Indians do the same, Swaraj will be obtained."		National Movement	Tamil Nadu (alongside V.O. Chidambaram Pillai), was known for inflammatory speeches invoking sacrifice for the nation's freedom. He is covered in Class 10 History Unit 9 "Freedom Struggle in Tamil Nadu" and Class 12 History Unit 2, though this exact quotation is not given verbatim there.
85	Choose the right matches: 1. Porpanaikottai - a Sangam age fort; 2. Iron Knife - Pallavaram; 3. Merchant Guild Inscription - Mayiladumparai; 4. Sarcophagus - Marungur	A) 1 and 3 are correct	Unit III - History, Culture of India, and Indian National Movement	Porpanaikottai, in present-day Pudukkottai district, is a Sangam-age fortified site that has yielded Tamil-Brahmi inscribed hero stones, confirmed in Class 9 Social Science, History Unit 3 "Early Tamil Society and Culture". The Mayiladumparai merchant-guild inscription was not independently located in the same chapter.
86	Arrange the stages of human development: 1. The Nomadic stage; 2. The pastoral stage; 3. The hunting stage; 4. The agricultural stage	C) 3, 1, 2, 4	Unit II - Geography of India	The traditional stages-of-society model in economic geography progresses from the hunting stage, through the nomadic stage and the pastoral stage, to the settled agricultural stage, reflecting humanity's gradual shift from food-gathering to food-producing economies.
87	"The Ocean of birth swims, swims and does not join the Lord" - what philosophy does this Kural express?	C) Surrender Philosophy	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	This Thirukkural verse, describing the soul as endlessly 'swimming in the 'ocean of birth' (the cycle of rebirth) without reaching union with God, expresses a philosophy of surrender - self-surrender to the divine - as the path to liberation from this cycle.
88	Thirukkural commentators (Uraiasiriyarkal): (i) Pariperumal; (ii) Dharumar; (iii) Ki.Va.Ja; (iv) Dhandapani Thesigar	A) (i) only	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	Among the classical commentators (uraiyaasiriyargal) on the Thirukkural, Parimelalagar is the most renowned and widely studied; his commentary remains the standard reference, while later commentators such as Dharumar are less prominent in the traditional canon of ten major Thirukkural commentators.
89	Assertion [A]: That is the land/country which is free from fierce famine, wasting plague and ravages of enemies. Reason [R]: Poets consider it their primary duty to wish for the country's and its people's development, wanting all countries (not just their own) to be special.	C) Both [A] and [R] are true, [R] is the correct explanation of [A]	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	This Purananuru verse describes an ideal land as one free from severe famine, destructive plague, and the ravages of enemy attack; Sangam-age poets saw it as their duty to wish for their country's prosperity and, in a broader universalist spirit, for the well-being of all lands and peoples.
90	Which statements are true? 1. All religions were accepted and appreciated in Thirukkural; 2. Every religion ratified the views of Thiruvalluvar; 3. He did not believe	A) 1 and 2 only correct	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	Thiruvalluvar's Thirukkural has been embraced across religious traditions because its ethical teachings on virtue are largely non-sectarian; scholars from many religions have found its moral principles consistent with their own faiths, and the

	in morality; 4. Valluvar said men with high principles deserved to live			text places strong emphasis on high moral character as a value in itself.
91	Arrange in order: 1. The goodness of the help to domestic life; 2. The possession of love; 3. Domestic life; 4. The obtaining of sons	A) 3, 1, 4, 2	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	This traces the sequence within the Thirukkural's 'Ilavaraiyal' (Domestic Virtue) section: first domestic life itself, then a wife's supportive role within it, next the desire for children (sons), and finally the possession of love as the culmination of family virtues.
92	Which Sangam book features the line/series "Pagaivar pull Aarga"?	C) Aingurunuru	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	This line appears in the Aingurunuru, one of the Ettuthogai (Eight Anthologies) of Sangam literature, which consists of short love-themed poems arranged in sets of ten.
93	Who gave special importance to village administration?	B) Cholas	Unit III - History, Culture of India, and Indian National Movement	The Cholas gave special importance to local self-government, most famously documented in the Uttiramerur inscriptions (Kanchipuram district), which describe the election and functioning of village assemblies (sabhas). This is covered in Class 7 Social Science, History, "Emergence of New Kingdoms in South India (Later Cholas)".
94	Assertion [A]: Some poets lived on their prize money, but most poets had their own professions and did not depend on prizes. Reason [R]: Poets who depended on prizes rejected gifts that were below their expectation.	B) Both [A] and [R] are true, but [R] is not the correct explanation of [A]	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	Most Sangam-age poets (pulavars) supported themselves through their own professions rather than depending on royal gifts or prizes, though those who did seek patronage were known to reject gifts they considered below their expectation or dignity - showing the two behaviours can coexist without one directly explaining the other.
95	One man, 3 women and 4 boys can do a piece of work in 96 hours; 2 men and 8 boys can do it in 80 hours; 2 men and 3 women can do it in 120 hours. In how many hours can 5 men and 12 boys do it?	C) 43 7/11 hours	Part B, Unit I - Aptitude	Aptitude - Time and Work (rates of work). Solving the three simultaneous equations for man-, woman- and boy-work-rates: $m=1/480$, $w=1/720$, $b=1/960$ per hour; $5m+12b = 11/480$ work/hour, giving time = $480/11 = 43 \frac{7}{11}$ hours.
96	The diagonal of a rectangle is thrice its smaller side. What is the ratio of length to breadth?	D) $2\sqrt{2} : 1$	Part B, Unit I - Aptitude	Aptitude - Mensuration (rectangle/Pythagoras). If diagonal $d=3b$ (b =breadth), then $l^2=d^2-b^2=9b^2-b^2=8b^2$, so $l=2\sqrt{2}\cdot b$, giving $l:b = 2\sqrt{2}:1$.
97	If $x : 7.5 = 8 : y = 7 : 17.5$, find $x : y$.	C) 3 : 20	Part B, Unit I - Aptitude	Aptitude - Ratio and Proportion. From $8:y=7:17.5$, $y=8\times 17.5/7=20$; from $x:7.5=7:17.5$, $x=7.5\times(7/17.5)=3$; so $x:y=3:20$.
98	If Rs. 1,600 is divided among P and Q in the ratio 5:3, what is Q's share?	B) 600	Part B, Unit I - Aptitude	Aptitude - Ratio and Proportion. 8 parts = Rs.1600, 1 part = Rs.200, so Q's 3 parts = Rs.600.
99	Find the L.C.M. of $(2x^2 - 3xy)^2$, $(4x - 6y)^2$ and $(8x^3 - 27y^3)$.	B) $2^3x^2(2x - 3y)^2(4x^2 + 6xy + 9y^2)$, LIKELY ERROR, see note	Part B, Unit I - Aptitude	Factoring each term: $(2x^2-3xy)^2 = x^2(2x-3y)^2$; $(4x-6y)^2 = 2^2(2x-3y)^2$; and $(8x^3-27y^3) = (2x-3y)(4x^2+6xy+9y^2)$. Taking the highest power of

				each distinct factor gives an LCM of $2^2x^2(2x-3y)^2(4x^2+6xy+9y^2)$ - option (C) - rather than the marked option (B), which carries an extra, seemingly unjustified factor of 2. This is worth rechecking against the official key.
100	Peter got 30% of maximum marks and failed by 10 marks; Paul got 40% of the total marks, which was 15 marks more than the passing marks. What were the passing marks?	C) 85	Part B, Unit I - Aptitude	Aptitude - Percentage. Let max marks = M, passing marks = P. $0.30M + 10 = P$; $0.40M - 15 = P$. Subtracting: $0.10M = 25$, so $M = 250$, giving $P = 0.30(250) + 10 = 85$.
101	Akila scored 80% of marks in an examination. If her score was 576 marks, find the maximum marks.	A) 720	Part B, Unit I - Aptitude	Aptitude - Percentage. Maximum marks = $576 / 0.80 = 720$.
102	Find the next term: 0.5, 0.6, 1.5, 4, 8.9, _____	D) 17.0	Part B, Unit I - Aptitude	Aptitude - Number series. Differences are 0.1, 0.9, 2.5, 4.9 (each difference itself increases by 0.8, 1.6, 2.4); the next difference is $4.9 + 3.2 = 8.1$, giving $8.9 + 8.1 = 17.0$.
103	A, B, C, D, E and F are cousins, all born on the same date but different years; ages range 17-22 (E=22, oldest). F is between B and D in age. A is older than B. C is older than D. Which is not possible?	D) F is 20 years old	Part B, Unit II - Reasoning	Reasoning - logical deduction puzzle (age ordering with constraints). A self-contained logic puzzle whose answer follows directly from the given age-ordering constraints.
104	In a dice, if 2 is adjacent to 3, 5 and 6, then which is necessarily true?	B) 1 is adjacent to 4	Part B, Unit II - Reasoning	Reasoning - dice logic. Since 2 is adjacent to 3, 5 and 6, its opposite face must be 1 (the only remaining number after 3, 5, 6 are placed as adjacent faces, leaving 4); by the same elimination, 1 and 4 must be adjacent.
105	Five girls sit in a row. Rosy is not adjacent to Sivanandhini and Abi. Anuradha is not adjacent to Sivanandhini. Rosy is adjacent to Monika. Monika is in the middle. Whom is Anuradha adjacent to?	A) Rosy	Part B, Unit II - Reasoning	Reasoning - seating arrangement puzzle. A self-contained logic puzzle whose answer follows directly from the given seating constraints.
106	One Rutherford is equal to:	C) 10^6 disintegrations per second	Unit I - General Science	One Rutherford (Rd) is a unit of radioactivity defined as the quantity of a radioactive substance producing 10^6 disintegrations per second. This is covered in Class 10 Science, Unit 6 "Nuclear Physics", p.5.
107	Kessler syndrome refers to:	C) Accumulation of satellite fragments, spent rocket stages and other discarded materials in space	Unit I - General Science	The Kessler syndrome describes a scenario in which the density of objects in low Earth orbit becomes so high that collisions between them cascade, generating ever more space debris (fragments of defunct satellites, spent rocket

				stages and other discarded material) and making certain orbital regions progressively more hazardous for future spacecraft.
108	Assertion [A]: University students think more critically about new subjects and situations they encounter. Reason [R]: University professors encourage conceptual learning at the primary levels.	B) Both [A] and [R] are true; and [R] is correct explanation of [A]	Unit V - Indian Economy and Development Administration in Tamil Nadu	University students tend to think more critically about new subjects because critical and conceptual thinking skills are cultivated from the primary level itself, with inquiry-based, conceptual learning encouraged early in a student's education and then built upon at each higher stage, including university.
109	Match and find the correct sequence: (a) Abiotic component; (b) Bagasse; (c) Carcinogen; (d) Carnivorous.	C) (a)-3 (b)-1 (c)-4 (d)-2	Unit I - General Science	An abiotic component refers to the non-living physical and chemical factors of an ecosystem, and carnivores are covered in Class 9 Geography Unit 5 "Biosphere"; bagasse (sugarcane fibre residue) is covered in Class 10 Science Unit 22 "Environmental Management"; and carcinogens are covered in Class 10 Science Unit 21 "Health and Diseases".
110	Assertion [A]: Overloading of Nitrogen in the environment can cause an imbalance to the natural nitrogen cycle. Reason [R]: Nitrogen becomes a pollutant when it escapes into the environment and reacts with other organic compounds.	B) Both [A] and [R] are true; and [R] is the correct explanation of [A]	Unit I - General Science	Human activities such as excessive fertiliser use and fossil-fuel combustion can overload the environment with reactive nitrogen, disrupting the natural nitrogen cycle; once nitrogen escapes into the environment in excess, it reacts with other compounds to form pollutants. This is covered in Class 9 Science, Unit 24 "Environmental Science".
111	Which of the following are caused by earthquake? (i) Lightning; (ii) Landslide; (iii) Thundering; (iv) Tsunami; (v) Floods	A) (ii), (iv) and (v)	Unit II - Geography of India	Strong earthquakes can trigger landslides, tsunamis and floods, whereas lightning and thunder are unrelated weather phenomena. This is covered in Class 7 Social Science, Geography, "Natural Hazards", p.2.
112	Match Waste Disposal Method with Process: (a) Sanitary landfills; (b) Incineration; (c) Pulverizing; (d) Pyrolysis, with 1. Burning of waste 2. Deposit refuse and compost with bulldozers 3. Combustion in absence of oxygen 4. Spreading waste on fields	NOT MARKED ON SOURCE PAPER (independently derived: B) (a)-2 (b)-1 (c)-4 (d)-3	Unit I - General Science	No official answer was marked for this question on the source paper. Sanitary landfills are covered in Class 10 Science, Unit 22 "Environmental Management" ("solid wastes dumped into low-lying areas, compacted by trucks"); incineration ("burning of non-biodegradable solid wastes") is in the same unit; and pyrolysis (thermal decomposition without oxygen) is covered in Class 11 Chemistry - leaving pulverizing matched by elimination.
113	Choose the incorrect pairing of forest types and species in India: (1) Evergreen forest - Rosewood, Toon, Ebony, Gurjan; (2) Monsoon forest - Silver fir, Walnut, Deodar,	C) (2) only	Unit II - Geography of India	India's monsoon (moist/dry deciduous) forests typically feature species such as teak and sal, whereas species like silver fir, walnut, deodar and white willow are Himalayan/alpine species -

	White Willow; (3) Tropical forest - Chir, Blue Pine, Spruce, Cypress			making the 'monsoon forest' pairing with these alpine species the incorrect one. Forest classification is covered in Class 10 Social Science, Geography Unit 2 "Climate and Natural Vegetation of India".
114	Consider the statements on monsoon: (i) Most monsoon rainfall is caused by depressions over the Arabian Sea and Bay of Bengal; (ii) Rainfall increases with increasing distance from the sea shore; (iii) The eastern coastal area of Tamil Nadu remains dry during the South West monsoon.	B) (i) and (iii) are true	Unit II - Geography of India	Tamil Nadu's east coast largely misses the South West monsoon (mostly spent crossing the Western Ghats), instead receiving most rainfall from the North East monsoon (Oct-Dec). This is covered in Class 9 Economics Unit 4 "Agriculture in Tamil Nadu" and Class 11 Economics Unit 11 "Tamil Nadu Economy".
115	Match Nationalist Papers with Authors: (a) Subramania Bharathi; (b) Mrs. Annie Besant; (c) G. Subramanya Iyer; (d) P. Anandacharlu, with 1. Swadesamithran 2. Madras Mahajana Sabha 3. India 4. New India	C) (a)-3 (b)-4 (c)-1 (d)-2	Unit III - History, Culture of India, and Indian National Movement	Subramania Bharathi was associated with the newspaper India; Annie Besant published New India; G. Subramania Iyer founded Swadesamitran; and P. Anandacharlu was a founding secretary of the Madras Mahajana Sabha. This is covered in Class 10 Social Science, History Unit 9 "Freedom Struggle in Tamil Nadu" (p.36-37, p.80).
116	Match: (a) Home Rule Movement; (b) Kudi Arasu; (c) Women's Swadeshi League; (d) Abolition of Devadasi system, with 1. S. Ambujammal 2. Annie Besant 3. Muthulakshmi Reddy 4. E.V. Ramasamy	A) (a)-2 (b)-4 (c)-1 (d)-3	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	Annie Besant led the Home Rule Movement; E.V. Ramasamy (Periyar) started the periodical Kudi Arasu; S. Ambujammal was associated with the Women's Swadeshi League; and Dr. Muthulakshmi Reddy led the campaign against the Devadasi system. This is covered in Class 10 Social Science, History Unit 10 "Social Transformation in Tamil Nadu".
117	Arrange the conquests of Iltutmish in chronological order: (1) Bengal; (2) Bilsa Fort; (3) Gwalior; (4) Ranthambhor	C) (4), (1), (3), (2)	Unit III - History, Culture of India, and Indian National Movement	Iltutmish, the Delhi Sultanate's ruler, expanded his territory capturing Ranthambhor first, followed by Bengal, then Gwalior, and finally the Bilsa Fort. Iltutmish and the Delhi Sultanate period are covered generally in the Class 7/11 History chapters on medieval India, though this exact campaign sequence is not detailed there.
118	Which statements are true about the Houses at Mohenjo-daro? (i) Discovered in Montgomery District of Punjab; (ii) Houses were made of Kiln-burnt bricks; (iii) Kiln-burnt bricks were used in large quantities for drains.	C) (ii) and (iii) only	Unit III - History, Culture of India, and Indian National Movement	Houses at Mohenjo-daro were built with kiln-burnt (fired) bricks, also used for the city's drainage system; the site was discovered in the Larkana district of Sindh, not Montgomery District of Punjab. This is covered in Class 6 Social Science, History, "Indus Civilisation".
119	Pick the incorrectly paired: (1) Smoke and	D) (3) and (4) are incorrect	Unit III - History, Culture	Amitav Ghosh's 'Smoke and Ashes: Opium's

	Ashes: Opium's Hidden Histories - Amitav Ghosh; (2) The Golden Road - William Dalrymple; (3) Twilight Prisoners... - Minakshi Dewan; (4) The Final Farewell... - Siddhartha Deb		of India, and Indian National Movement	Hidden Histories' and William Dalrymple's 'The Golden Road' are correctly paired non-fiction works, but the other two titles in this list are attributed to the wrong authors, making them the incorrectly paired entries.
120	Assertion [A]: In 1946, the Muslim League withdrew its acceptance of the Cabinet Mission Plan. Reason [R]: The Muslim League joined the interim government formed in 1946.	D) [A] is false, but [R] is true	Unit III - History, Culture of India, and Indian National Movement	The Muslim League's 1946 acceptance-and-withdrawal of the Cabinet Mission Plan followed a different sequence than the assertion states, making it inaccurate; the League did join the Interim Government formed in September 1946. This period is covered in the Class 10/12 History chapters on the Cabinet Mission Plan and the 1946 Interim Government.
121	Assertion [A]: DMK played a leading role in the Anti-Hindi campaign. Reason [R]: It urged people to write under the Tamil identity.	B) Both [A] and [R] are true, and [R] is the correct explanation of [A]	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	The DMK played a leading role in Tamil Nadu's 1965 anti-Hindi agitation, opposing the imposition of Hindi and urging people to assert their Tamil identity. This is covered in Class 10 Social Science Unit 10 and Class 11 Political Science Unit 14 "Political Developments in Tamil Nadu".
122	On 24th September 1932, the Poona Pact was signed between:	C) Gandhi - Ambedkar	Unit III - History, Culture of India, and Indian National Movement	The Poona Pact was signed on 24 September 1932 between Mahatma Gandhi and Dr. B.R. Ambedkar, replacing separate electorates for the Depressed Classes with reserved seats within the general electorate. This is covered in the Class 10/12 History chapters on the Round Table Conferences and Dr. Ambedkar's role.
123	Choose the right matches: (1) Ferozeshah Mehta - Disciple of Gokhale; (2) Gopala Krishna Gokhale - Servants of India Society; (3) Dadabhai Naoroji - Drain Theory; (4) S.N. Banerjee - Safety Valve Theory	A) (2) and (3) are correct	Unit III - History, Culture of India, and Indian National Movement	Gopal Krishna Gokhale founded the Servants of India Society in 1905, and Dadabhai Naoroji developed the Drain of Wealth theory - both covered in Class 10 History Unit 7 "Anti-Colonial Movements and the Birth of Nationalism" and Class 12 History Unit 1 "Rise of Nationalism in India". Ferozeshah Mehta was senior to (not a disciple of) Gokhale, and the Safety Valve theory is usually attributed to A.O. Hume, not Surendranath Banerjee.
124	Match Excavated materials with Excavation place: (a) Shell Bangles; (b) Ring Well; (c) Roman Coins; (d) Silver Stamps, with 1. Azhagankulam 2. Thulukkarpatti 3. Kezhadi 4. Vembakottai	B) (a)-4 (b)-3 (c)-1 (d)-2	Unit III - History, Culture of India, and Indian National Movement	Excavations at Vembakottai have yielded shell bangles, Kezhadi (Keeladi) has revealed ring wells, Azhagankulam has produced Roman coins, and Thulukkarpatti has yielded silver stamped coins. The Sangam-age Keeladi excavations are covered generally in the Class 9/11 History chapters on early Tamil archaeology, though this specific site-by-site matching is not detailed there.

125	Assertion [A]: Muhammad Ghur attacked the Fortress of Tabarhind, a strategic point for the Chauhans of Ajmer. Reason [R]: The Ruler of Ajmer, Prithvi Raj Chauhan, marched to Tabarhinda and faced the invader in the first Battle of Tarain (1191).	B) Both [A] and [R] are true, and [R] is the correct explanation of [A]	Unit III - History, Culture of India, and Indian National Movement	Muhammad of Ghor's attack on the fortress of Tabarhind (Bhatinda), a strategic Chauhan post, prompted Prithviraj Chauhan to march to defend it, leading to the First Battle of Tarain (1191). The Delhi Sultanate/Rajput period is covered in the Class 7/11 History chapters on medieval India.
126	Which pairs are correctly matched? 1. Right to Privacy - K.S. Puttaswamy vs. Union of India; 2. Passive Euthanasia - Common Cause vs. Union of India; 3. Right to Vote - Ministry of Defence vs. Babita Puniya; 4. NOTA in Elections - Swapnil Tripathi vs. Supreme Court of India	B) 1 and 2 are correct	Unit IV - Indian Polity	Justice K.S. Puttaswamy v. Union of India (2017) recognised the Right to Privacy, and Common Cause v. Union of India (2018) recognised passive euthanasia; by contrast, Babita Puniya (2020) dealt with women officers' permanent commissions and Swapnil Tripathi (2018) dealt with live-streaming of court proceedings. Landmark Supreme Court judgments of this kind are covered in Class 12 Political Science's Judiciary chapter.
127	Functional items under municipalities: (i) Regulation of slaughter houses and tanneries; (ii) Safeguarding interests of weaker sections; (iii) Small-scale industries incl. food processing; (iv) Technical training and vocational education. Which are correct?	D) (i) and (ii) are correct	Unit IV - Indian Polity	Under the Twelfth Schedule, municipal functions include the regulation of slaughter houses/tanneries and safeguarding weaker sections; small-scale industries and technical training fall under the Eleventh Schedule (Panchayats) instead. This is covered in Class 11 Political Science, Unit 12 "Local Governments", p.235.
128	The Union Executive consists of: 1. Council of Ministers; 2. President of India; 3. Central Secretariat; 4. Vice President. Choose the correct combination.	B) 1, 2 and 4 only	Unit IV - Indian Polity	The Union Executive comprises the President, the Vice-President, and the Council of Ministers headed by the Prime Minister; the Central Secretariat is administrative machinery, not a constitutional organ of the executive. This is covered in Class 10 Social Science, Civics Unit 2 "Central Government".
129	What is the definition of a child under the POCSO Act?	B) Below 18 years of age	Unit IV - Indian Polity	Under the Protection of Children from Sexual Offences (POCSO) Act, 2012, a 'child' is defined as any person below the age of 18 years, and the Act provides a legal framework to protect children from sexual abuse and exploitation.
130	Assertion [A]: Every citizen has the right to move freely and reside/settle in any part of India. Reason [R]: This right is subject to restrictions in the interest of the general public or protection of any Scheduled Caste.	A) [A] is true but [R] is false	Unit IV - Indian Polity	Article 19(1)(d)/(e) guarantee freedom of movement and residence; under Article 19(5), restrictions can be imposed for the general public or to protect Scheduled Tribes' interests - not Scheduled Castes as the reason claims. This is covered in Class 10 Social Science, Civics Unit 1 "Indian Constitution".
131	Which statement is incorrect about India's	A) This policy promotes	Unit IV - Indian Polity	India's Act East Policy focuses on strengthening economic, cultural and strategic engagement with

	Act East Policy?	proactive diplomacy with political and military intervention to curb insurgency in the Asia-Pacific region		Southeast Asian and East Asian countries through trade, connectivity and diplomatic cooperation; it emphasises diplomatic and economic engagement rather than promoting political or military intervention to curb insurgency in the region.
132	Objectives of the National Human Rights Commission: (i) Strengthen institutional arrangements for human rights issues; (ii) Look into allegations of excesses independently of government; (iii) Contrast/strengthen existing efforts in this direction.	C) (i) and (ii) are correct	Unit IV - Indian Polity	The National Human Rights Commission (1993, under the Protection of Human Rights Act) strengthens institutional arrangements for human rights and independently investigates allegations of excesses. This is covered in Class 8 Civics, Unit 4 "Human Rights and UN".
133	Match Women Empowerment Acts with enacted year: (a) Medical Termination of Pregnancy Act; (b) National Food Security Act; (c) Rights of Persons with Disabilities Act; (d) Mental Health Care Act, with 1. 2013 2. 2016 3. 2017 4. 1971	B) (a)-4 (b)-1 (c)-2 (d)-3	Unit IV - Indian Polity	The Medical Termination of Pregnancy Act was enacted in 1971; the National Food Security Act in 2013; the Rights of Persons with Disabilities Act in 2016; and the Mental Health Care Act in 2017 - each significant legislation expanding social welfare and rights protections in India.
134	Correctly paired Law Commission chairs: 1. Fifth - K.V.K. Sundaram; 2. Tenth - Justice K.K. Mathew; 3. Nineteenth - Justice M. Jagannadha Rao; 4. Twentieth - B.S. Chauhan	B) 1 and 2	Unit IV - Indian Polity	K.V.K. Sundaram chaired the Fifth Law Commission and Justice K.K. Mathew chaired the Tenth Law Commission of India; Law Commissions are periodically reconstituted with new chairpersons (usually retired judges) to review and recommend reforms to Indian laws.
135	Assertion [A]: Article 121 prohibits parliamentary discussion of a Supreme Court/High Court judge's conduct in discharge of duties. Reason [R]: Its objective is to ensure independence and dignity of the Judiciary.	B) Both [A] and [R] are true; and [R] is correct explanation of [A]	Unit IV - Indian Polity	Article 121 bars parliamentary discussion of a Supreme Court/High Court judge's conduct in discharge of duties, except during a removal motion, to protect judicial independence. This topic is covered in Class 12 Political Science's Judiciary chapter, though Article 121 is not named there verbatim.
136	Assertion [A]: Parliament has exclusive power to legislate on matters not enumerated in the Concurrent or State Lists. Reason [R]: The VIII Schedule of the Constitution contains the Union, State and Concurrent Lists.	A) [A] is true, but [R] is false	Unit IV - Indian Polity	Parliament has residuary legislative power under Article 248 over matters not in the Concurrent or State Lists; the Union, State and Concurrent Lists themselves are in the Seventh Schedule, not the Eighth (which lists official languages). This is covered in Class 10 Civics, Unit 1 "Indian Constitution", p.195.
137	Match the Article: (a) Audit and Accounts of Panchayats; (b) Reservation of seats; (c) Elections to Panchayats; (d) Gram Sabha, with 1. 243A 2. 243J 3. 243D 4. 243K	A) (a)-2 (b)-3 (c)-4 (d)-1	Unit IV - Indian Polity	Article 243A covers the Gram Sabha; Article 243D provides reservation of seats; Article 243J covers audit of accounts; and Article 243K covers elections through State Election Commissions.

				Panchayati Raj provisions are covered in Class 11 Political Science, Unit 12 "Local Governments".
138	False statements about the Legislative powers of the President: (i) Punchhi Commission recommended 15-day Presidential assent deadline under Article 201; (ii) Article 111 details the President's role in law-making; (iii) Article 123 gives the President power to promulgate ordinances.	A) (i) only	Unit IV - Indian Polity	Article 111 covers the President's assent to bills, and Article 123 covers ordinance-making power; the Punchhi Commission's 15-day recommendation actually concerns state bills reserved under Articles 200-201, not this general law-making role, making that statement false. This is covered in Class 12 Political Science, Unit 3 "Executive".
139	Match: (a) Justice not denied for economic/financial reasons; (b) Establishment of Gram Panchayats with self-governing powers; (c) Humane working conditions and maternity benefits for women; (d) Work, pay and favourable conditions for agricultural/skilled labourers, with 1. Article 42 2. Article 43 3. Article 39A 4. Article 40	C) (a)-3 (b)-4 (c)-1 (d)-2	Unit IV - Indian Polity	Article 39A provides equal justice/free legal aid; Article 40 directs organising village panchayats; Article 42 provides humane work conditions/maternity relief; and Article 43 secures a living wage for workers. Article 40 is covered in Class 11 Political Science, Unit 12 "Local Governments" (p.223, 228).
140	Which statement is true about Article 21? (i) Reminds us of a famous Magna Carta clause; (ii) The Constitution does not confer right to die; (iii) Custodial death is one of the worst crimes in a civilized society governed by Administrative Law.	B) (i) and (ii) only	Unit IV - Indian Polity	Article 21's guarantee echoes the Magna Carta's protections; courts have held there is no right to end one's own life; and custodial death is condemned as one of the worst crimes against the rule of law. This is covered in Class 10 Civics, Unit 1 "Indian Constitution", p.127, and Class 11 Political Science, Unit 4.
141	Assertion [A]: In India there are two types of Aliens - Friendly and Enemy Aliens. Reason [R]: Enemy Aliens' citizens also enjoy protection against arrest/detention under Article 22.	C) [A] is correct; [R] is false	Unit IV - Indian Polity	India recognises two categories of aliens - friendly aliens (citizens of countries at peace with India) and enemy aliens (citizens of countries at war with India); Article 22's procedural safeguards against arrest and detention explicitly do not extend to enemy aliens, who can be detained without the protections available to citizens or friendly aliens.
142	Match parts of the Constitution with subject-matter: (a) Part XIV; (b) Part XV; (c) Part XVIII; (d) Part XX, with 1. Elections 2. Amendment of the Constitution 3. Services under Union/States 4. Emergency provisions	A) (a)-3 (b)-1 (c)-4 (d)-2	Unit IV - Indian Polity	Part XIV covers Services under the Union/States; Part XV covers Elections; Part XVIII covers Emergency Provisions (Article 356); and Part XX (Article 368) covers Constitutional Amendment. This is covered in Class 12 Political Science, Unit 5 "Federalism in India" and Unit 6 "Administrative Machinery in India".
143	"Co-operative Societies" were given constitutional status under which Articles?	A) Article 243-ZH to 243-ZT	Unit IV - Indian Polity	The 97th Constitutional Amendment Act (2011) inserted a new Part IXB into the Constitution, spanning Articles 243-ZH to 243-ZT, giving

				cooperative societies constitutional recognition and protection, including provisions on their autonomous functioning, democratic elections and professional management.
144	Match List I with List II (launch years): (a) Jal Jeevan Mission; (b) Beti Bachao Beti Padhao; (c) Swachh Bharat Abhiyan; (d) National Social Assistance Programme, with 1. 2014 2. 2019 3. 1995 4. 2015	A) (a)-2 (b)-4 (c)-1 (d)-3	Unit V - Indian Economy and Development Administration in Tamil Nadu	The Swachh Bharat Abhiyan was launched in 2014; Beti Bachao Beti Padhao in 2015; the National Social Assistance Programme dates back to 1995; and the Jal Jeevan Mission was launched in 2019 to provide piped drinking water to every rural household.
145	Which statement about the Women Helpline is incorrect?	D) Provide integrated support and assistance to women affected by violence in public spaces only	Unit V - Indian Economy and Development Administration in Tamil Nadu	The Women Helpline (181) provides round-the-clock emergency and non-emergency support and referral services to women affected by violence, not only in public spaces but across all settings - including domestic, workplace and family contexts - connecting them to police, medical, legal and counselling services.
146	Objectives of the Public Distribution System: (i) Based on income status; (ii) Focuses on families of Military Personnel; (iii) Ensures availability of essential commodities of good quality at affordable prices every month.	C) (i) and (iii) only	Unit V - Indian Economy and Development Administration in Tamil Nadu	The Public Distribution System aims to ensure availability of essential commodities of reasonable quality at affordable prices every month, with eligibility based on income/economic status rather than occupation. PDS and food security are covered generally in Class 11/12 Economics chapters on the rural economy.
147	The amount under the Dr. Muthulakshmi Reddy Maternity Benefit Scheme has been increased since 2018 to Rs. _____.	A) 18,000/-	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	The Dr. Muthulakshmi Reddy Maternity Benefit Scheme, a Tamil Nadu welfare scheme providing financial assistance to pregnant and lactating women workers, had its benefit amount increased to Rs. 18,000 from 2018 onward.
148	Match welfare schemes with beneficiaries: (a) PMJDY; (b) MGNREGA; (c) PMUY; (d) PMFBY, with 1. Farmers 2. Women (rural/remote) 3. Low-income households/EWS 4. Rural BPL households	A) (a)-3 (b)-2 (c)-4 (d)-1	Unit V - Indian Economy and Development Administration in Tamil Nadu	PMJDY targets financial inclusion; MGNREGA guarantees rural employment (covered in Class 11 Economics, Unit 10 "Rural Economy"); PMUY provides LPG connections mainly to rural women; and PMFBY provides crop insurance to farmers.
149	Which is incorrectly paired? (1) CDI - Child Development Index; (2) ABC - Achievements of Basic Children Needs; (3) MPI - Multidimensional Poverty Index; (4) HDI - Human Development Identification	A) (2) and (4)	Unit V - Indian Economy and Development Administration in Tamil Nadu	MPI (Multidimensional Poverty Index) and CDI (Child Development Index) are genuine, correctly defined development indices; however, 'ABC' is not a standard, recognised development index, and HDI actually stands for the Human Development Index (not 'Human Development Identification'), making those two pairings incorrect.
150	Who introduced the modified scheme of elementary education providing part-time	B) C. Rajagopalachari	Unit VI - History, Culture, Heritage and Socio-	As Chief Minister of Madras State (1952-54), C. Rajagopalachari (Rajaji) introduced a modified

	learning of hereditary occupations?		Political Movements in Tamil Nadu	scheme of elementary education providing part-time vocational training in students' hereditary occupations; Periyar criticised it as the 'Kula Kalvi Thittam'. This is covered in Class 10 Social Science, History Unit 10 "Social Transformation in Tamil Nadu".
151	Choose the right matches: (1) Shyama Prasad Mukherji Rurban Mission - Integrated Cluster Action Plans; (2) Saansad Adarsh Gram Yojana - Skill training to global standards; (3) Rashtriya Gram Swaraj Abhiyan - E-governance in Panchayats; (4) Deen Dayal Antyodaya Yojana - Poverty alleviation through SHGs	D) (1) and (4) are correct	Unit V - Indian Economy and Development Administration in Tamil Nadu	The Shyama Prasad Mukherji Rurban Mission develops Integrated Cluster Action Plans, and the Deen Dayal Antyodaya Yojana promotes poverty alleviation through self-help groups. Rural development schemes of this kind (MGNREGA, NRLM, PMGSY) are covered generally in Class 11 Economics, Unit 10 "Rural Economy".
152	Which is incorrectly paired? (i) Babu Jagjivan Ram Chhatrawas Yojana - hostels for SC students; (ii) Atal Vayo Abhyuday Yojana - quality of life for senior citizens; (iii) Pradhan Mantri Jan Vikas Karyakram - socio-economic development of refugees; (iv) Pradhan Mantri Janjatiya Vikas Mission - tribal entrepreneurship	C) (iii) only	Unit V - Indian Economy and Development Administration in Tamil Nadu	The Pradhan Mantri Jan Vikas Karyakram is actually aimed at the socio-economic development of minority communities in minority-concentration areas, not refugees, making that the incorrectly paired item, while the other three scheme-objective pairings (SC hostels, senior citizens' welfare, and tribal entrepreneurship/development) are accurate.
153	Elements of India's climate action: (i) Net-Zero by 2070; (ii) Increase non-fossil energy capacity/renewable share; (iii) Planting trees and stopping deforestation; (iv) Reduce carbon intensity/emissions	D) (i), (ii) and (iv) only	Unit V - Indian Economy and Development Administration in Tamil Nadu	India's climate commitments announced at COP26 (2021) include achieving Net-Zero emissions by 2070, substantially increasing non-fossil-fuel energy capacity and the share of renewables, and reducing the carbon intensity of its economy by 2030 - together known as India's 'Panchamrit' climate pledges.
154	Assertion [A]: A WHO study commissioned by Jal Shakti Ministry found Jal Jeevan Mission would avert ~4,00,000 diarrheal deaths, saving ~14 million DALYs. Reason [R]: The scheme aims to provide household tap connections to all rural households by 2024.	B) Both [A] and [R] are true; and [R] is the correct explanation of [A]	Unit V - Indian Economy and Development Administration in Tamil Nadu	A WHO study commissioned by the Ministry of Jal Shakti found that the Jal Jeevan Mission, which aims to provide piped tap-water connections to all rural households, could avert around 400,000 diarrhoeal deaths and save an estimated 14 million Disability-Adjusted Life Years (DALYs) by improving access to safe drinking water.
155	Match TN welfare schemes with beneficiaries: (a) Kalaignar Magalir Urimai Thittam; (b) Tamil Puthalvan; (c) Vidiyal Payanam; (d) Pudumai Penn Thittam, with 1. Woman head of family (monthly	A) (a)-3 (b)-4 (c)-1 (d)-2	Unit V - Indian Economy and Development Administration in Tamil Nadu	The Kalaignar Magalir Urimai Thittam provides monthly financial assistance to women heads of families; Tamil Puthalvan supports students of government and government-aided colleges; Vidiyal Payanam provides free government bus travel for women; and Pudumai Penn Thittam

	assistance) 2. Woman college students who studied in govt. schools till 12th 3. Free govt. bus travel for women 4. Govt./govt.-aided college students			gives financial assistance to women college students who studied in government schools up to Class 12.
156	Assertion [A]: Tamil Nadu Government replaced the Rupee symbol (₹) with the Tamil letter (₹) in its 2025-26 budget. Reason [R]: To ensure widespread development of Tamil Nadu benefiting all.	D) Both [A] and [R] are true; and [R] is the correct explanation of [A]	Unit V - Indian Economy and Development Administration in Tamil Nadu	In its 2025-26 budget, the Tamil Nadu government used the Tamil letter '₹' in place of the Rupee symbol (₹), intended as a gesture emphasising that the state's development benefits all sections of Tamil Nadu society.
157	Match: (a) District with highest sex ratio; (b) District with lowest sex ratio; (c) District with highest child sex ratio; (d) District with lowest child sex ratio, with 1. Theni 2. The Nilgiris (highest) 3. Cuddalore 4. The Nilgiris (lowest child)	A) (a)-2 (b)-1 (c)-4 (d)-3	Unit II - Geography of India	Among Tamil Nadu's districts, the Nilgiris has recorded the state's highest overall sex ratio, while Theni has recorded the lowest; for the child sex ratio, the Nilgiris and Cuddalore represent the high and low ends respectively, per state demographic data. General demographic concepts for Tamil Nadu are covered in Class 10 Geography, "Human Geography of Tamil Nadu".
158	Tamil Nadu Chief Minister's Solar Powered Green House Scheme (CMSPGHS) was launched for the benefit of:	A) Poor in rural areas	Unit V - Indian Economy and Development Administration in Tamil Nadu	Tamil Nadu's Chief Minister's Solar Powered Green House Scheme (CMSPGHS) provides solar-powered housing with an integrated solar power unit for the benefit of poor households in rural areas, combining housing welfare with clean-energy access.
159	Due to Global warming, the following are badly affected:	C) (iii) alone [Agriculture, Horticulture and Environment]	Unit I - General Science	Global warming significantly affects agriculture, horticulture and the broader environment by altering rainfall patterns, increasing extreme weather events, and stressing crop yields and ecosystems. This is covered in Class 9 Science, Unit 24 "Environmental Science" and related Geography chapters.
160	Which statements are true about Child Development Index (CDI)? (i) Developed by 'Save the Children' campaign; (ii) Health, Nutrition and Education are its three conventional indicators; (iii) Calculated the same way as HDI.	D) (i), (ii) and (iii)	Unit V - Indian Economy and Development Administration in Tamil Nadu	The Child Development Index (CDI) was developed by the 'Save the Children' campaign and is calculated using health, nutrition and education as its three conventional indicators, using a methodology broadly similar to that of the Human Development Index (HDI).
161	Assertion [A]: The poverty line is determined on the basis of calorie requirements. Reason [R]: The poverty line is the minimum income required to meet basic needs (food, clothing, shelter).	A) Both [A] and [R] are true and [R] is the correct explanation of [A]	Unit V - Indian Economy and Development Administration in Tamil Nadu	India's poverty line has traditionally been determined based on a minimum calorie-intake requirement (around 2,400 calories/day in rural areas), corresponding to the minimum income needed for basic needs. This is covered in Class 11 Economics, Unit 10 "Rural Economy" (Rural Poverty).

162	Arrange chronologically: (1) Pradhan Mantri Awas Yojana-Gramin; (2) Deen Dayal Upadhyaya Grameen Kaushalya Yojana; (3) Pradhan Mantri Gram Sadak Yojana; (4) Samagra Shiksha Abhiyan	D) (3), (2), (1), (4)	Unit V - Indian Economy and Development Administration in Tamil Nadu	In launch order: Pradhan Mantri Gram Sadak Yojana (2000, covered as "PMAGSY" in Class 11 Economics "Rural Economy"), Deen Dayal Upadhyaya Grameen Kaushalya Yojana (2014), Pradhan Mantri Awas Yojana-Gramin (2016), and Samagra Shiksha Abhiyan (2018).
163	The main aim of MUDRA Bank is to: (i) Fund Health Industry development; (ii) Provide credit to Micro, Small and Medium enterprises; (iii) Fund Tourism Industry development; (iv) Fund rural development.	B) (ii) alone	Unit V - Indian Economy and Development Administration in Tamil Nadu	The MUDRA Bank was set up to provide and facilitate credit specifically to Micro, Small and Medium Enterprises (MSMEs), not health, tourism or general rural-development projects. This is covered in Class 11 Commerce, Unit 21 "Micro, Small and Medium Enterprises".
164	Arrange chronologically: (1) Mahalwari system; (2) Ryotwari system; (3) Zamindari system; (4) Gramdan movement	C) (3), (2), (1), (4)	Unit III - History, Culture of India, and Indian National Movement	The Zamindari system (1793, Permanent Settlement) predates the Ryotwari system (1820s) and the Mahalwari system (~1822); the post-independence Gramdan (Bhoodan) movement led by Vinoba Bhave came much later, in the 1950s. Zamindari, Ryotwari and Mahalwari are covered in Class 8 Social Science, History Unit 3 "Rural Life and Society".
165	Which statements are true about the Fifteenth Finance Commission? (i) Introduced demographic performance criterion; (ii) Fiscal Discipline given 10% weightage; (iii) Forest cover criterion replaced with Forest and Ecology.	C) (i) and (iii) only	Unit V - Indian Economy and Development Administration in Tamil Nadu	The Fifteenth Finance Commission introduced a demographic performance criterion and replaced the 'forest cover' criterion with a broader 'forest and ecology' criterion. General Finance Commission functions are covered in Class 12 Economics, Unit 9 "Fiscal Economics", though the 15th Commission's specific criteria are not detailed there.
166	Identify the correct statement: (a) RBI's borrowing rate from commercial banks is called reverse repo rate; (b) Increasing repo rate makes borrowing expensive for banks and vice versa; (c) Repo rate is a tool to control inflation; (d) A lower reverse repo rate decreases inflation.	A) (a), (b) and (c) are correct	Unit V - Indian Economy and Development Administration in Tamil Nadu	The reverse repo rate is the rate at which the RBI borrows from commercial banks, while the repo rate is the rate at which it lends to them; raising the repo rate helps control inflation, while a lower reverse repo rate tends to increase inflationary pressure. This is covered in Class 12 Economics, Unit 6 "Banking".
167	Which statements are true about NITI Aayog? (i) Instituted to replace the Planning Commission; (ii) No power to allocate funds; (iii) It is a think-tank; (iv) President of India is its Chairperson.	D) (i), (ii) and (iii)	Unit V - Indian Economy and Development Administration in Tamil Nadu	NITI Aayog (2015) replaced the Planning Commission, has no fund-allocation power (unlike its predecessor), functions purely as a think-tank, and is chaired by the Prime Minister, not the President. This is covered in Class 8 Social Science, Economics Unit 2 "Public and Private Sectors".
168	Choose the right answer: (i) Ashoka's	C) (i) and (ii) only right	Unit III - History, Culture	Ashoka's rock edict discovered at Brahmagiri (Karnataka) is a well-known early Mauryan-era

	Inscription found at Brahmagiri; (ii) Chinnamanur Seppedu mentions Thalaiyalanganathu Pandian Nedunchezhien; (iii) Thirukkivilur Inscription mentions Avvaiyar's death, published by T.A. Gopinathanayar; (iv) Ancient inscriptions unavailable in Karnataka till AD 10.		of India, and Indian National Movement	epigraphic find, and the Chinnamanur copper plates refer to the Pandya king's victory at Thalaiyalanganam. Early Tamil epigraphy is covered generally in the Class 9/11 History chapters on early Tamil society.
169	Assertion [A]: C.N. Annadurai was fascinated by the Self-Respect Movement and joined the Dravidar Kazhagam. Reason [R]: Annadurai treated the Justice Party and Dravidar Kazhagam equally.	A) [A] is true, [R] is false	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	C.N. Annadurai rose through the Dravidar Kazhagam before splitting away in 1949 to found the DMK due to ideological differences with Periyar, meaning he did not treat the Justice Party and Dravidar Kazhagam as equivalent. This is covered in Class 11 Political Science, Unit 14 "Political Developments in Tamil Nadu" and Class 10 History Unit 10.
170	Which statements are true about the Vellore Mutiny? (i) Lasted eight hours; (ii) Lost importance due to local treachery; (iii) After the mutiny, Tipu's family was transferred to Madras; (iv) The British captured more than 2000 Indian soldiers.	C) (i), (ii) and (iv) only	Unit III - History, Culture of India, and Indian National Movement	The Vellore Mutiny (1806) lasted only hours before being suppressed; it lost momentum from a lack of coordinated local support; and the British recaptured the fort and took over 2,000 Indian soldiers into custody. This is covered in Class 8 Social Science, History Unit 4 "People's Revolt", "Vellore Revolt (1806)" section.
171	Arrange chronologically: (1) Periyar published 'Pen Yaen Adimaiyanaai'; (2) Periyar started the Tamil bimonthly 'Unmai' at Tiruchirappalli; (3) Periyar arrested for publishing Tamil translation of Bhagat Singh's 'Why I am An Atheist'; (4) Title 'Periyar' conferred by the Tamil Nadu Women's Conference in Madras.	A) (1), (3), (4), (2)	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	In order: Periyar published 'Pen Yaen Adimaiyanaai?' (Why the Woman is Enslaved?), was arrested for translating Bhagat Singh's 'Why I am an Atheist', was given the title 'Periyar' by the Tamil Nadu Women's Conference, and later started 'Unmai' at Tiruchirappalli. This is covered in Class 10 Social Science, History Unit 10.
172	Which statements are true about Periyar's 'Self Respect Marriage'? (i) Conducted without priests or Sanskrit chanting; (ii) Deliberately conducted at auspicious times; (iii) Did away with thali-tying; (iv) Couples took oaths of equal treatment/friendship.	C) (i), (iii) and (iv) only	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	Periyar's Self-Respect marriages were conducted without priests or Sanskrit chanting, did away with thali-tying, and involved oaths of equal treatment and companionship. This is covered in Class 10 Social Science, History Unit 10 "Social Transformation in Tamil Nadu".
173	Assertion [A]: Justice Party opposed Annie Besant's Home Rule Movement. Reason [R]: Justice Party feared Dominion status would give more power to Brahmins.	B) Both [A] and [R] are true and [R] is the correct explanation of [A]	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	The Justice Party opposed Annie Besant's Home Rule Movement partly from concern that Dominion status would primarily benefit the politically dominant Brahmin community. This is covered in Class 10 Social Science, History Units 9 and 10.

174	Arrange chronologically: (1) Kamarajar in Vaikom Agitation; (2) Thirunelveli riot; (3) Madras Mahajana Sabha; (4) Swadesi Sangam	B) (3), (4), (2), (1)	Unit III - History, Culture of India, and Indian National Movement	The Madras Mahajana Sabha (1884) came first, then the Swadesi Sangam (1905-08), then the Tirunelveli riots (1908), and finally Kamarajar's Vaikom Satyagraha participation (1924). This is covered in Class 10 Social Science, History Unit 9 "Freedom Struggle in Tamil Nadu" and Class 11 Political Science, Unit 13 "Social Justice" and Unit 14.
175	Which statements are true about Anjalai Ammal? (1) Was pregnant while in prison; (2) Born in Chennai, took part in the Neil Statue protest; (3) Her husband was not interested in the freedom movement; (4) Served as Congress MLA from 1937 to 1946.	A) (1), (4)	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	Anjalai Ammal, a Tamil Nadu freedom fighter, was imprisoned while pregnant during the freedom struggle and later served as a Congress MLA from 1937 to 1946, representing the political participation of women in Tamil Nadu's independence movement.
176	Which is incorrectly paired? (1) Sir Thomas Munro - Licensing Act of 1857; (2) Sir Charles Metcalfe - Liberator of the Indian Press; (3) Lord Wellesley - Printer's name at the bottom of the paper; (4) Lord Canning - System of License and Censorship	A) (1) and (4)	Unit IV - Indian Polity	The Licensing Act of 1857 is associated with Lord Canning, not Sir Thomas Munro; Sir Charles Metcalfe is remembered as the 'Liberator of the Indian Press' for repealing earlier restrictive laws in 1835. Colonial press regulations are covered generally in Class 12 History, Unit 1 "Rise of Nationalism in India".
177	Which statements are correct about the Vaikom Protest? (1) George Joseph of Kerala was its mastermind; (2) Gandhi disagreed with Christian George Joseph's involvement in the untouchability issue; (3) A statue of George Joseph was erected at Madurai; (4) George Joseph and Karur Neelakandan did not wish to join Periyar in the Vaikom Protest.	B) (1), (2), (3)	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	George Joseph, a Kerala-based lawyer, played a leading role in the Vaikom Satyagraha (1924-25); a statue of him was erected in Madurai, and Gandhi had reservations about a Christian leading what he saw as a Hindu social-reform issue. This is covered in Class 10 Social Science, History Unit 9 "Freedom Struggle in Tamil Nadu", p.97.
178	Match: (a) Kolliporai coins; (b) Peruvaluthi coins; (c) Bead Making Industry; (d) Textile Industry, with 1. Pandya Kings 2. Chera Kings 3. Kangayam 4. Mohenjodaro	A) (a)-2 (b)-1 (c)-3 (d)-4	Unit III - History, Culture of India, and Indian National Movement	Chera kings issued Kolliporai coins, and Pandya king Mudukudumi Peruvaluthi issued his own coinage - covered in Class 6 Social Science History, "Society and Culture in Ancient Tamilagam" and Class 11 History Unit 11 "Later Cholas and Pandyas". Kangayam/Kodumanal's bead industry and Mohenjo-daro's textile industry are well-documented Sangam-age and Harappan facts respectively.
179	Assertion [A]: Archaeological excavations at Pattanam, Ernakulam, Kerala unearthed	B) Both [A] and [R] are true and [R] is correct	Unit III - History, Culture of India, and Indian	Excavations at Pattanam (Ernakulam, Kerala) have unearthed extensive evidence of early Indo-Roman trade, widely considered to confirm

	signs of early Roman trade. Reason [R]: The excavation proved Pattanam was part of Muziris, the port city of the Sangam Cheras.	explanation of [A]	National Movement	Pattanam as the site of ancient Muziris, the Sangam-age Chera port. Muziris and Indo-Roman trade are covered in Class 6 Social Science History, "Society and Culture in Ancient Tamilagam" and Class 9 History Unit 3 "Early Tamil Society and Culture".
180	Match customs with literature: (a) A custom performed by an unrequited lover; (b) Mixing palmyra/sugarcane juice with coconut water; (c) Offering crow with white rice and ghee; (d) Painting walls of private houses, with 1. Kuruntogai 2. Manimegalai 3. Tholkappiam 4. Purananuru	A) (a)-3 (b)-4 (c)-1 (d)-2	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	The Tholkappiyam (the earliest Tamil grammar text) prescribes customs performed by an unrequited lover as part of its treatment of Sangam-age love poetry conventions; the Purananuru describes the custom of mixing palmyra or sugarcane juice with coconut water; the Kuruntogai references offering rice and ghee to crows as an omen-related custom; and the Manimekalai describes the custom of painting the walls of private houses.
181	Which belongs to the Chapter "Gratitude" (Nandri Arithal) in Thirukkural? (i) Self-control like a tortoise affords everlasting protection; (ii) Equality is uprightness guided by a rational mind; (iii) A friend in need is a friend indeed - do not forget or forsake comrades.	B) (iii) only	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	The Thirukkural chapter on Gratitude (Nandri Arithal) includes the well-known couplet comparing a true friend to one who does not forget or forsake a comrade in times of need - capturing the value of remembering and repaying kindness and loyalty.
182	Based on Thiruvalluvar's verse "Four ills eschew and virtue reach", arrange: 1. Anger; 2. Desire; 3. Malice; 4. Bitter Speech.	D) 3, 2, 1, 4	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	In Thiruvalluvar's teaching on avoiding the 'four ills' to attain virtue, the sequence given is malice, desire, anger, and bitter speech - vices a person must overcome in order to live a righteous life.
183	Assertion [A]: A person who thinks he will not be despised by others. Reason [R]: He will refrain from letting thoughts of attaining anything through forgery enter his heart.	A) [A] is true [R] is true	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	This Thirukkural couplet describes a person of good character as one who, believing he will not be despised by others, refrains from even entertaining thoughts of gaining anything through deceit or forgery - connecting self-respect with honest conduct.
184	Choose the wrong pair: 1. Thodakku - ornaments on the neck; 2. Andalai Aduppu - cock-shaped; 3. Iyavithulam - weapons for gouging eyes; 4. Yeri Chiral - equipment to stock bow and arrows.	D) 3 and 4 incorrectly	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	In Sangam-age material culture, 'Thodakku' refers to neck ornaments and 'Andalai Aduppu' to a cock-shaped hearth or implement, while the specific meanings given here for 'Iyavithulam' and 'Yeri Chiral' do not match their traditional definitions, making that the incorrect pair.
185	Match excavated sites in Tamil Nadu: (a) Chennai; (b) Tanjore; (c) Dharmapuri; (d) Erode, with 1. Mallapadi 2. Kambar Medu 3. Kodumanal 4. Pallavaram	A) (a)-4 (b)-2 (c)-1 (d)-3	Unit III - History, Culture of India, and Indian National Movement	Paleolithic tools were first discovered at Pallavaram, near Chennai, by geologist Robert Bruce Foote in 1863 (Class 9 Social Science, History Unit 1 "Evolution of Humans and Society:").

				Prehistoric Period"); Kodumanal in Erode district is a major Sangam-age bead-making site (Class 6 Social Science History, "Vedic Culture...and Megalithic Culture"). Tanjore-Kambar Medu and Dharmapuri-Mallapadi were not independently located in the same chapters.
186	Choose the right matches: 1. Marriages conducted on a spread of sand - Akananuru; 2. Groom fastened a thali on the bride - Tholkappiyam; 3. Bride's family gave dowry to groom's family - Nannul; 4. Marriage conducted before fire - Silappadikaram.	A) 1 and 4 are correct	Unit VI - History, Culture, Heritage and Socio-Political Movements in Tamil Nadu	The Aakananuru describes marriages conducted on a spread of sand as part of Sangam-age wedding customs, and the Silappadikaram describes marriage ceremonies conducted before a sacred fire - both reflecting the ritual practices of early Tamil society as recorded in classical Tamil literature.
187	8 men working 9 hours a day complete work in 20 days. In how many days can 12 men working 10 hours a day complete the same work?	D) 12 days	Part B, Unit I - Aptitude	Aptitude - Time and Work. Total work = $8 \times 9 \times 20 = 1440$ man-hours; 12 men $\times$ 10 hours = 120 man-hours/day; days = $1440/120 = 12$.
188	Three circles of radius 3.5 cm are placed so each touches the other two. Find the area enclosed between the circles.	A) 1.967 cm ²	Part B, Unit I - Aptitude	Aptitude - Mensuration. Enclosed area = area of the equilateral triangle (side = $2r = 7$ cm) minus three 60° sectors of radius 3.5cm = $(\sqrt{3}/4)(49) - 3 \times (1/6)\pi(3.5)^2 = 21.2176 - 19.25 = 1.9676 \approx 1.967$ cm ² (using $\pi=22/7$).
189	If the difference between S.I. and C.I. for 3 years at 5% is Rs. 183, find the principal.	C) 24,000	Part B, Unit I - Aptitude	Aptitude - Compound Interest. CI-SI over 3 years at rate $r = P[(1+r)^3 - 1] - P(3r) = 0.007625P$ at $r=5\%$; $0.007625P = 183$ gives $P = 24,000$.
190	Ramesh deposits Rs. 15,600 at 10% p.a. simple interest, adding accrued interest to principal every second year. What interest is added at the end of the 4th year?	C) Rs. 3,744	Part B, Unit I - Aptitude	Aptitude - Simple Interest. Years 1-2 interest = $15,600 \times 0.10 \times 2 = 3,120$, added to principal giving 18,720; Years 3-4 interest = $18,720 \times 0.10 \times 2 = 3,744$.
191	A, B and C's combined salary is Rs.33,300. They spend 80%, 85% and 75% of their incomes respectively, and their savings are in ratio 7:6:9. Find B's salary.	D) Rs.12,000	Part B, Unit I - Aptitude	Aptitude - Ratio and Percentage. Savings are 20%, 15%, 25% of A, B, C's incomes respectively; setting $0.20a=7k$, $0.15b=6k$, $0.25c=9k$ gives $a=35k$, $b=40k$, $c=36k$; sum= $111k=33,300$ so $k=300$, giving B's salary = $40 \times 300 = 12,000$.
192	Three numbers are in ratio 3:4:5 and their L.C.M. is 2400. Find their H.C.F.	A) 40	Part B, Unit I - Aptitude	Aptitude - LCM/HCF. Numbers = $3x, 4x, 5x$ with LCM = $60x$ (since 3, 4, 5 are pairwise coprime) = 2400, giving $x = 40 = \text{HCF}$.
193	If a, b are two-digit numbers with $\text{HCF}(a,b) = 15$, how many such pairs exist?	A) 11	Part B, Unit I - Aptitude	Aptitude - HCF. $a=15m$, $b=15n$ with m, n coprime and 15m, 15n two-digit (so $m, n \in \{1, \dots, 6\}$); counting coprime unordered pairs $1 \leq m < n \leq 6$ gives exactly 11 pairs.
194	Evaluate: $6/(5 - 5/3) + ((4 - 2/(4 - 1/2)) / (5 -$	C) 1 7/16	Part B, Unit I - Aptitude	Aptitude - Simplification (BODMAS with fractions).

	$3/2)) - 2/5$ of $(6/9 + 2/3$ of $1/2)$			The nested-fraction expression evaluates to $17/16$.
195	In an A.P., $t_1 - t_4 = 20$ (common difference $\times 3$). Which statement is false?	D) A.M. of 5th term and 30th term is 17th term	Part B, Unit I - Aptitude	Aptitude - Arithmetic Progressions. The average of the 5th and 30th terms corresponds to position $(5+30)/2 = 17.5$, not an integer term, so it can never equal the (integer-indexed) 17th term for any AP - this is false by the structure of arithmetic progressions; by contrast, the 12th and 20th terms are symmetric around the 16th term, making that relationship always true.
196	Mary is 16 and 4 times her brother's age. How old will she be when she is twice his age?	B) 24	Part B, Unit I - Aptitude	Aptitude - Ages. Brother is currently 4 years old; after t years, $16+t = 2(4+t)$ gives $t=8$, so Mary will be $16+8 = 24$.
197	Pick the odd one from: CGKO : BFJN : AEIM : FDKN	D) FDKN	Part B, Unit II - Reasoning	Reasoning - letter series. CGKO, BFJN and AEIM each step by +4 in the alphabet (C-G-K-O, B-F-J-N, A-E-I-M), while FDKN does not follow this or any other consistent pattern.
198	5 machines make 5 parts in 5 minutes. How long for 100 machines to make 100 parts?	A) 5 minutes	Part B, Unit II - Reasoning	Reasoning - rate puzzle. Each machine makes 1 part in 5 minutes regardless of how many machines run in parallel, so 100 machines make 100 parts in the same 5 minutes.
199	In the pattern A1B4C9D16...Z676 (each letter followed by its position-squared), what is the total value of the numbers following P and Q?	NOT MARKED ON SOURCE PAPER	Part B, Unit II - Reasoning	In this letter-value pattern ($A=1^2=1$, $B=2^2=4$, $C=3^2=9$, ..., $Z=26^2=676$), P is the 16th letter ($16^2=256$) and Q is the 17th letter ($17^2=289$), giving a total of 545. Note: this computed value does not match any of the four printed options, and no official answer was marked on the source paper for this question - worth rechecking against the official key or errata.
200	Given 4 pictures of a cube (nets/views), which number is on the face opposite to 3?	C) 4	Part B, Unit II - Reasoning	This is a visual/pictorial reasoning question based on given cube nets or views, where the face opposite a given number (3) must be deduced by tracing which faces appear together across the different depicted orientations of the cube.

TNPSC MENTORS

TNPSC Exam Preparation in Tamil & English

www.tnpscmentors.in

You've finished the answer key - keep the momentum going!

Everything you need to turn this practice into a rank is already waiting for you in the TNPSC Mentors app.

- Test Series - full-length mock exams (Group 1 Test Marathon and more)
- PYQ Practice - previous year papers with bilingual explanations
- Daily Current Affairs - daily quiz plus a monthly magazine
- Smart Revision - practice that adapts to your weak topics
